Sheriff To Collect Toys

The Cleveland County Sheriff's Department is asking for donation to help make Christmas a little happier for some families this year.

Sheriff Dale Costner says Betty Johnson, Social Services Parent Involvement coordinator for Cleveland County Head

Start, has asked if his department will help collect toys for children under four years old and nonperishable foods for some needy families. Sheriff Costner says Mrs. Johnson has furnished a list of families that are in need.

Sheriff Costner said he is asking that any area merchant or business that has donations to contact his department at 482-8311.

"If the merchants go along with me," Sheriff Costner says, "I'll send a vehicle to pick up the donations for the needy. If they want to help these needy people,

I'll make sure they get the toys and food."

*Individual Retirement Account

Some time ago, Congress passed the Pension Reform Act, offering some 40,000,000 Americans the tax-saving benefits of an individual pension plan through IRA—the individual Retirement Act. Then, as part of the Tax Reform law, IRA was liberalized by Congress. The government has now greatly increased the eligibility of participants and the maximum amount of contributions allowed.

How Do You Save On Taxes?

Every cent you invest into your IRA account is fully deductible, up to the maximum, from earned income subject to federal income tax. You can deduct your annual contributions even though you don't itemize deductions.

What's The Tax Status Of Income Earned On Your Account?

The tax on the interest earned on your retirement account is deferred. So, each dollar of earnings will produce additional tax deferred dollars. This tax-free compounding will continue through the life of your IRA account.

What About Working Couples?

Where husband and wife both work, they can both open separate IRA accounts for a maximum tax-free set-aside of \$4000 a year.

How IRA Funds Are Invested

If you take advantage of our qualified plan, your money will be placed in an insured interest earning account, always worth 100 cents on the dollar. Safety of savings is insured to the full legal limit by an agency of the United States government, and a very worthwhile return is paid, plus compounding of earnings that adds to the growth of the account.
