

Letters To Santa

Dear Santa,
I have been good this year. Santa, will you bring me something for Christmas? Mostly what I want is the boys and girls who do not have anything to get something.
Eddie Wilson

Dear Santa,
I hope that you help the poor and people that need food. As for me I would like an Atari.
**Sincerely,
Grant Holder**

Dear Santa Claus,
I want you to know that I don't have a Chimney. I think you will need to come in the door ok? I hope you bring a lot of toys. Or you can go to TG&Y. You think your elfs will take care of it. I hope you please every girl and boy. I know you will please me, because you always please me. If you don't bring me any toys. But I hope your elfs are working hard. I'm going to tell you what I want for Christmas. I want a T.V. and a ten speed and a baby.
**Your friend,
Teresa Dawn Jackson**

Dear Santa Claus,
I would like the following things for Christmas: a swing, and a monopoly game, a kitty and a rabbit and a dog if mama will let me. I surely want them. I hope so cause I love every animal in the world. I'm thankful for clothes, and socks, and shoes, and parents, and brothers and sisters. And for Santa Claus and God!
**Love,
Belinda Adams**

Dear Santa,
We want to see you on Christmas, but we will be in bed. And when we get up we will see a lot of toys and I will open my presents and play with them. Bring my sister a dress and bring my brother some clothes and bring my other brother the same thing and bring my mom a housecoat and bring my Dad a coat and bring me a lot of toys.
**Sincerely,
Regina Parker**

Dear Santa,
Is it very cold down there where you are? For Christmas I want some Atari Video tapes. And for my mom she wants a bike. And my brother wants a B-B gun. My little brother wants a rattle. I will leave some cookies and milk for you. Don't let the presents fall out. Have a Merry Christmas.
**Sincerely,
Stacy White**

Dear Santa,
I really wonder what you are doing right now? I can't wait until Christmas. Santa, my mother told me that when you get a present, if it was little, it does not count, the thought is what counts. I have been a good girl this year. You are so nice to go all around the world. But don't get too fat eating cookies. Tell Rudolf I said hi. I really do like him. I would like a doll and a Barbie hous and lots of surprises.
**Sincerely,
Jennifer Green**

Dear Santa,
I hope you have a nice Christmas day. I will too. My mother saw you at Sky City but, I didn't see you because I went to get a drink of water. She told me that she saw you and I told her that she could come and get me but she didn't. So, I want some clothes and a pair of shoes. That is what I want and I hope I get it for Christmas.
**Sincerely,
Denise Adair**

Dear Santa Claus,
For Christmas I want a bike, and a T.V., and a football, and some clothes.
You are a very nice person. If you would leave me a note December 25, 1981, I will be glad. Santa, how cold is it up there? Be good Santa. My mom wants a bike too, and my dad wants a new truck for Christmas. And my brother wants a car.
**Your friend,
Dale McClain**

Dear Santa,
Christmas is coming Santa. I can not wait for Christmas. I hope you will get me a kitten for Christmas. I know the names of your reindeers. Here they are Rudolf, Dancer, Prancer, Cupid, Donner, Vixen, Dasher, Blisten, Comet.
**Sincerely,
Becky Patterson**

Dear Santa,
Is it really cold up there? I think so. How do you get all the toys in one night? It's impossible if anyone else could do that. Tell Mrs. Claus I said hi and Seasons Greetings and the same to you and the reindeers and the elfs. But if you come to our house be careful because my mom's vase is at the bottom and you might fall on it. We better move it for it breaks and we'll have our head's broke. And remember Merry Christmas, Santa!
**Your friend,
Everette Thombs**

Dear Santa,
I hope you will come and see me on Christmas night and I hope you will have a Merry Christmas Santa. I hope you will bring me lots of toys. Bring mom and dad presents like money and clothes and towels and washrags and bring us some socks. By the way have a happy time at the Northpole.
**Your friend,
Bart Guin**

Dear Santa,
How cold is it at the North Pole? Are your elves working, Santa? Do you feel like delivering the presents to all the children? If you don't I will help you. I am serious, Santa. Just call me. And if you need any reindeers, I will be one of them. You are a nice man, Santa.
**Sincerely,
Roger Wade Smith**

Dear Santa,
I love you Santa. I wish I could see you on Christmas Eve. Have you had any visitors? I wish I could see your reindeer. And I wish you would bring me a bicycle, a binocular and a rifle stopper gun and a cap-gun and

100- caps or 200 caps.
**Sincerely yours,
Donald Bell**

Dear Santa,
I know it is cold. I just want to know how are you and your reindeers. Are they doing fine? It is sunny here and we are doing fine? I will leave you some cookies on my table and do not come down the chimney. We will have a fire for Christmas. I would like to have a watch for Christmas, if you have one.
**Your friend,
Douglas Faulkner**

Dear Santa,
I can't wait until Christmas comes. I think it's fun.
Why didn't you eat the cake and milk and cookies I left you? That madame mad but I soon forgot. I still like you Santa.
**Your Friend,
Jennifer Freeman**

Dear Santa,
How is Rudolf, Dancer, Prancer, Cupid, Donner, Vixen, Dasher and Blisten and Comet? You must be very busy getting ready for Christmas. I would like my mother to get a necklace and my dad to get something useful too. My sister wants a camera. I would like a stereo and a shoots away game.
**Yours truly,
Donna Riley**

CAN YOU OPEN AN IRA FOR YOUR 12-YEAR-OLD CHILD?

Yes, if they have an earned income. But more importantly you can and should open one for yourself. Whether you're 25 or 55, now's the time to start putting away tax-deductible dollars.
Chances are, if you start soon enough, put away enough, and earn enough interest, you could retire with a million dollars or more. And obviously, we at First Union would like to talk with you about this possibility. We believe the money you accumulate in your Individual Retirement Account could be one of the most important parts of your retirement

planning. And because this is a long-range investment, you'll want to establish your IRA with a secure, experienced financial institution. That's where we come in.
At First Union, we've been successfully handling financial transactions and investments for more than 70 years. And we'd like to put this knowledge and ability to work for you and your children. So if you have any questions at all about IRA's, stop by any First Union office. With an IRA you can't start too soon, no matter how old you are.

Substantial interest penalty required for early withdrawal.
