Joe Bridges Wins U.S. Leadership Award

The United States Achievement Academy has announced that Joseph Edward Bridges of Kings Mountain has been named a 1982 United States National award winner in leadership.

The award is a prestigious honor very few students ever attain. In fact, the Academy recognizes less than five percent of all American junior high students.

Bridges attends the eighth grade at Bessemer City Junior High. He will appear in the United States Academy Official

Yearbook, published nationally.

The Academy selects USAA winners upon the recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards for Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Joe is the son of Deaver (Joe) and Ann Marie Bridges of Kings Mountain. He is the grandson of Lily B. Dolan and the late John J. Dolan of Cranston, R.I., and Helen and Arnold Bridges of Kings Mountain.

Mrs. Jane Tackett of Dothan, Ala., has graduated Magna Cum Laude from Troy State University.

Mrs. Tackett is the former Laura Jane Campbell, daughter of Mr. and Mrs. George N. Campbell of Kings Mountain. She is a 1977 graduate of Kings Mountain High School and attended Converse College for three years prior to transferring to Troy State.

She is presently employed by the Dothan City School System.
