

Dear Mr. Congressman:

The American Dream is dying! I can't afford to buy a home. Even worse, if something isn't done, my children will never own a home. Something must be done.

Mr. Congressman, affordable home ownership has been one of the great distinguishing triumphs of our nation. I don't know when the dream got put aside, but I don't want it to die.

You have the ability to assure the perpetuation of the opportunity for home ownership.

Please Mr. Congressman, Save the American Dream.

Sincerely,
