OCTOBER CARNIVAL A BIG SUCCESS

Both socially and financially the Carnival was a big success, and we wish to thank everyone who helped with it, or who sent things for it. Eph Esham reported a net profit of \$166.22. This added to what was already in the treasury makes our balance at this time over \$350.00.

And you ask, "What in the world will they use all that for?" Well, leave it to Theodore Rondthaler, principal, to think up good ways to spend PTA money!

- (1) Provide warm and safe heating for the school recreation hall. (PTA voted to investigate cost of doing this and consider it a major project when funds are available.)
 - (2) Paint or put asbestos shingles on the outside of the recreation hall. (One or the other has to be done.)
 - (3) Buy belt-type swings for the elementary and primary grades (P.T.A. voted to do this.)
 - (4) Paint the library. (P.T.A. voted to buy the paint now, and hope for voluntary labor sometime after Christmas. Suggestion was that the ladies would get up a good supper for the men who did the work.)
- With about \$20.00 in left-over bingo prizes, P.T.A. voted to sponsor a bingo party, Dec. 10th.
