P. T. A. POT-LUCK SUPPER WAS FUN

In spite of colds and other ailments in the Community, 47 members got out to the March meeting and enjoyed pot-luck supper together. The ham was delicious; potato salad; Boston baked beans; sweet potatoes; fruit salad; slaw; peas; butter beans; and on top of all these chocolate cake; several kinds of pie; brownies, and lots and lots of good things to eat. No one lost any weight!

During a brief business meeting, the PTA voted to recover the area around the kitchen sink. Principal Rondthaler didn't ask for a thing so the treasury is that much richer.

Favorite Irish songs were sung by the group. A gallery of baby and childhood photographs of members, spread out around the Library walls, afforded much amusement.

It was certainly hard to recognize Jack Willis, Van Henry O'Neal, Leevella Howard, Kathleen Bragg and others in the "pictures of the past". No one could realize that Sommers Spencer and Kelly O'Neal were once quite slender! The preacher recognized Theodore Rondthaler's picture when he saw a little boy fast asleep! Marvin Howard seemed to be having a gay time at Coney Island as a youth of about sixteen. And who would recognize Kelly O'Neal and Irene enjoying a wheel chair ride on the board walk at Atlantic City! Benjamin O'Neal had big ears at the age of five; glad he has grown up to their size!

Judges for prize-winners were Principal Rondthaler; Pres. of Civic Club, Eph Esham; and Preacher Bill Clark. First prizes went to pictures of Amber Ballance and Oscar Burrus (Oh, what a beautiful baby!); second prizes to Doris Ballance and Jesse Garrish.

The baby picture of Ansley O'Neal won the prize for being homeliest..he showed plainly he didn't want his picture taken! The picture gallery afforded as much if not more fun to the school pupils on the following day, when they were all allowed to come in and see their youthful parents! Needless to say there were many laughs!

Mrs. Spencer, Naomi O'Neal, and Lillian Fulcher brought in some group pictures of pupils. These afforded today's pupils lots of fun.

Hostesses for the April meeting (Apr. 21st) are: Mrs. Geraldine Tolson, Mrs. Eliza Wahab, Mrs. Lois Wahab, Mrs. Eva Waller, Mrs. Dicie Wells, and Mrs. Louiedelle Williams.

At the April meeting, officers for next year will be elected.

MANY PEOPLE EXPECTED FOR EASTER

A good many reservations have been made for space at Wahab Village, Sound Front, and The Island Inn. The last named opened for business about a week ago. Ferry at the Inlet is back on its four trips a day. Road is repaired. A larger landing mat area has been made at the landing site on this side of the Inlet.

Latest news (from NEWS & OBSERVER) about the proposed Taylor Brothers ferry South is that it will go all the way into Atlantic, N.C., instead of into Cedar Island. This will be a toll ferry. It is expected to be put on about September 1.

When this ferry is put on it will fill the present missing link of the ALL-SEA-SHORE HIGHWAY along the Outer Banks, and our New England friends can stop off to see us on their way to Florida!
