Yes, COME to the CARNIVAL, with your pockets filled with dimes!

Friday, Oct. 30th, 7:30 p.m.
at the schoolhouse

The CARNIVAL COMMITTEE met and selected lots of prizes for the various events: darts, shooting gallery, bingo, fish ponds, etc. and decided this year instead of offering chances on a doll, or some other toy, to sell chances on an ELECTRIC PERCULATOR, and a HAM. Sid Tolson, owner of the Tolson Appliance Shop, has given the P.T.A. a GE ELECTRIC PERCULATOR (value \$21) at cost price. Chances on this will be 25¢; chances on the HAM will also be 25¢. Four students are selling these chances: Margaret Spencer, June Yvette Austin, Connie Sue Styron, and Lorraine Howard. They'll be 'round to see you - take a chance on both - it all goes to help the P.T.A. & School.
