Miss Mary Cunningham Lucas and Mr. Frank X. Farnan were married last night at 6:30 o'clock at the home of the bride, No. 203 West Morehead street. The officiating clergyman was Rev. Harris Mallinckrodt, rector of St. Peter's Episcopal Church.

The parlor was beautifully decorated with bridal wreaths, cut flowers and potted plants which made a very pretty scene. To the sweet strains of wedding music played by Mrs. Harris Mallinckrodt the bride entered on the arm of her father, Mr. W. A. Lucas, and at the altar met the groom who entered with his best man Mr. E. J. Parrish. Afterwards dinner was tendered the young couple at which only the relatives and intimate friends were present.

Mrs. Eugene Reilly who has served her second term as president of the Woman's Club was re-elected president for a third term at a meeting of the club this morning. The vote was unanimous, and a very flourishing one in view of the constitution and by laws making it illegal for an officer to succeed herself except by a unanimous vote. The remaining officers and chairmen of the various departments were elected as follows: Mrs. I. W. Faison, first vice-president; Mrs. Charles C. Hook, second vice-president; Mrs. I. W. Durham, recording secretary; Mrs. Ruth T. Wray, corresponding secretary; Mrs. C. G. McManaway, treasurer; Mrs. F. C. Abbott, chairman of the literature department; Mrs. Charles C. A TENTATIVE AGREEMENT.

Mr. Harris Cannot at Present Publish First Street Subway Plan.

When asked today if he would give out the exact agreement reached by the legal representatives of the city and the Southern Railway as to the subway proposed to be built across First street (extended) where the Southern crosses it, Mr. Hugh W. Harris, city attorney, today said that he could not do so, as the agreement was only tentative. If any of the parties at issue object to the arrangement which Mr. Harris, representing the city, and Col. Rodman the railroad, have agreed upon as something they can advise, it of course falls through. A copy is now at Washington awaiting ratification by the railroad company.

"The board of aldermen," said Mr. Harris, "authorized me to draw up an ordinance for opening up the street, and to secure an agreement with the railroad and the Four C's, provided the street could be opened up with no cost to the city. This I have done. While I have consulted with no property owners personally, we know they will agree to bear the cost of opening the street. It would, however, be premature to publish the full text of the agreement before it is ratified by both the railroad and the board of aldermen."

As stated in The News yesterday the agreement is understood to call for a 50-foot subway. The plan now in contemplation, it is understood, provides for the expense of opening up the street being met by the nearby or adjacent property owners.

PRESCRIPTIONS FALLING.

Number for Week Ending April 1 Only 526.

The number of prescriptions written for whiskey are still on the decline. For the four weeks in January last they ran as follows: 1,181, 1,091, 1,038, 1,216, a total of 4,526. For the four weeks of February they ran: 1,238, 1,408, 1,348 and 1,324, a total of 5,358. For the four weeks of March they ran as follows: 1,087, 1,158, 631 and 568, a total of 3,344. The decline in this month is due to the passage of the rigid anti-prescription bill by the legislature, endangering a physician's license if he wrote prescriptions for other than bonafide patients. That the list is still declining is evident from the fact that for the week ending on the first of April the number of prescriptions had fallen to 526.

IN INTEREST OF WAREHOUSE.

President Moore and Mr. Smith to Visit Cotton-Growing Counties.

President C. C. Moore is planning with the assistance of National Organizer E. D. Smith, of South Carolina, to visit the cotton-growing counties of North Carolina for ten days, beginning April 10th, for the purpose of submitting to the farmers the great necessity for a system whereby depressed cotton can be withheld from the market.

Mr. A. J. McKinnon, chairman of the executive committee of the North Carolina division of the Southern Cotton Growers, has issued a circular letter, announcing the places of meeting of these gentlemen. They are as follows:

Wednesday, April 10th, at Statesville, Iredell county.

Thursday, April 11th, at Wadesboro, Anson county.

Friday, April 12th, at Louisburg, Franklin county.

Saturday, April 13th, at Smithfield, Johnston county.

Monday, April 15th, at Goldsboro, Wayne county.

Tuesday, April 16th, at Goldsboro, Halifax county.

Wednesday, April 17th, at Rocky Mount, Edgecomb county.

Thursday, April 18th, at Greenville, Pitt county.

Friday, April 19th, at Kinston, Lenoir county.

Saturday, April 20th, at Fayetteville, Cumberland county.

Mr. McKinnon says further that the executive committee would urge all farmers to go to hear these speakers tell of the work of the cotton association and learn of the plan to organize bonded warehouse-holding companies in every county in the South.

Mr. Smith is an orator of national reputation, every farmer should take advantage of this opportunity of hearing this eloquent and polished speaker.

Mr. Smith outlined the warehouse plan to the business men and farmers of this county and city a few weeks ago, and delighted his hearers with his clear, explicit manner of explanation.

Mr. Moore, with County Correspondent J. N. Bigham, took the matter in hand and carried out Mr. Smith's suggestions to those who were not able to be present. Their reports from all over the county are most encouraging. A meeting will be held at the county courthouse next Saturday to ascertain what progress has been made by the solicitors in the work of securing subscriptions. The prospects for a healthy organization in Mecklenburg are judged to be bright.

Mr. Moore says that letters he has received from Mr. Smith and others in the National Association who are working for the warehouse organization are exceedingly encouraging. The plan is taking fast hold of the farmers and business men, especially in the heart of the cotton-growing area. Two local organizations were perfected in South Carolina and two in Georgia by Mr. Smith last week, and the work started off in fine shape.

Mint Hill News.

Mint Hill, April 4.—A drop of the mercury from 91 degrees of last week to 29 Monday morning has caused grave fears for the fruit crop in this vicinity, peaches and pears especially being in full bloom.

Mr. J. M. Bigak has been quite sick for the past few days. Also Mr. Gaither Norton has been confined to his room, on the sick list.

The members of Philadelphia church are considering a plan to remodel their house of worship by adding a vestibule, Sunday school room, etc. Harvasto, Mr. John Wakefield as their pastor, Mr. John Wakefield as their leader, we feel sure, the proposed work will be carried out in the near future. Mrs. Sam Hoover and little son of Pineville, N. C., are visiting her parents, Mr. and Mrs. G. W. Davis near Mint Hill.

The many friends of Mr. Raymond Long are glad to welcome him back to the village, after his spending the winter in Florida. He reports a grand time.

Mr. and Mrs. G. W. Davis were called to Monroe yesterday by the sad intelligence of the death of their nephew, Mr. John Davis, who has been very sick for several weeks.

Mr. and Mrs. Charles Huilt, who have just moved into their pretty cottage were given a "house warming," by quite a number of their young friends, who took them by surprise one night this week.

W. R. Cochrane Has Slight Stroke.

Mr. William R. Cochrane received a slight stroke of paralysis this morning shortly after he left his home on West Second street. He was taken back to his home and physicians summoned, and upon examination ascertained that his right side was affected. His friends will be glad to know that the stroke is not necessarily serious. Reports from his home at a later hour are favorable.

Death of an Infant.

The infant child of Mr. and Mrs. R. H. Wingate, of Berryhill township, died Tuesday night. The funeral took place yesterday at Steele Creek.

No Clue to Burglars.

The police authorities and private detectives who have been working on the robbery of the Southern Hardware company's store Tuesday night have unearthed no clue that will aid them in apprehending the guilty parties. The mystery of the theft is as great as ever.

A double burglary occurred on the third floor of the Central Hotel the same night. Mr. George Cronenberg, a guest, found that his pockets had been rifled during the night. Mr. W. S. Adair, of Richmond, Va., was also a victim. Fifteen or \$20 had been taken from his pockets. He vaguely remembers a man in the room during the night excusing himself on the ground of having blundered into the wrong apartments.

Slight Wreck in Southern Yards.

Three or four freight cars were badly damaged early this morning in the Southern yards, near the East Trade street crossing. One train pulling into a side track was side-swiped by a bunch of cars that became detached from a train moving in the opposite direction. No one was hurt.

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Charlotte.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatism. When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Charlotte woman tell you about Doan's Kidney Pills.

Mrs. W. J. Shafer, wife of M. J. Shafer, coal and wood dealer, residing at 811 North Church St., Charlotte, N. C., says: "I have used Doan's Kidney Pills for kidney trouble and backache and have been greatly benefited by them. I had been a great sufferer and had lost all hopes of ever being cured. My back ached all the time and was very weak, but after using your remedy obtained at R. H. Jordan & Co.'s drug store, I have had no return of the backache. I am so well pleased with your pills that I have written some friends in Goldsboro and Raleigh, N. C., telling them what Doan's Kidney Pills have done for me. You are welcome to use my name, and I will hope some sufferer afflicted as I was may be induced to try Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
