College students and high school graduates wishing to obtain a student loans may apply to any of the institutions to which funds have been allocated. Each institution handles its own student loan fund and will select the individuals who will be granted loans to enable them to continue their edu-

A student may borrow up to \$1,000 a year or a total of 5,000 during his undergraduate study. Each college contributes at least \$1.00 per each \$9.00 in federal funds. Loans are payable after graduation. By teaching for five years, one half of loans can be cancelled. Borrowers who don't

teach repay the full loan.
