Child-Molesting Trial Transferred From City

SOUTHPORT—The trial of a Negro janitor on a charge of molesting the daughter of police chief Louis Clark has been transferred to Brunswick County Superior Court at the request of the state.

The trial of Charlie Lee, 67, was originally scheduled Monday in Recorder's Court but Solicitor E. James Prevatte requested a jury trial, automatically sending the case to superior court. There are no jury trials in Recorder's Court in Brunswick County.

The case was set for trial at a court term beginning next Monday with Judge W. C. Hall of Durham presiding. Prevatte made the request after a denial of the state's request for a further postponement of the trial. Prevatte said that a report from the State Bureau of Investigation was not ready for presentation to the court. The case had been postponed earlier because of an absent state witness.
