No Nagging Backache Means a Good Night's Sleep

Nagging backache, headache, of muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation...with that restlessness, uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills offer help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable, with restless, sleepless nights, don't wait, try Doan's Pills, get the same happy relief millions have enjoyed for over 50 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

struggle against segregation told a cheering labor convention here last week that anti-Negro discrimination would be wiped out "within our lives."

The Rev. Fred L. Shuttlesworth, pastor of the Bethel Baptist Church, Birmingham, and a leader of the historic 1957 Birmingham bus strikes against segregation, made the remark during the course of his address before 300 delegates to the 25th annual In-

ternational Convention of the 160,000-member United Electrical, Radio & Machine Workers of America (UE) meeting for a 5-day session in this resort city.

"COMING OUT OF THE VALLEYS"

"In our day, brothers and sisters," said Rev. Shuttlesworth, "we shall see segregation wiped out. My people are coming out of the valleys and are on their way to the bright mountain tops, so help us God!"

Cheers, whistles and applause again and again punctuated the stirring remarks of the militant minister.

Rev. Shuttlesworth also indicated what he characterized as "this last rump session of Congress" which, he asserted, "neatly shelved civil rights in the face of both parties high-sounding phrases about putting into action the United States Supreme Court's historic rulings against segregation."

The Alabama clergyman declared that he and his organization, the Alabama Christian Movement for Human Rights, would not announce their support for either of the two major party candidates "until just before the election."

Press Women's Club Refuses To Admit Sepians; Two Resign

DENVER (ANP) — Two members of the Colorado Press Women have resigned over the organization's refusal to admit a Negro newspaperwoman as a member, it was learned last week.

Mrs. Sue Mosier, women's editor of radio station KFKA in Greeley

and president of the 100-member organization, said she expects more resignations over the rejection of Mrs. Betty Wilkins, who Mrs. Mosier described as "very well qualified" for membership.

WITH THE "CALL" SIX YEARS Mrs. Wilkins has been associ-

ate editor and society editor in Denver for the past six years for The Kansas City Call, published in Kansas City and distributed throughout the West.

Her membership in the organization, made up of newspapermen, free lance writers and others in allied fields, was proposed last June.

Her application was tabled until a meeting last week at the Denver Press Club.

Five "no" votes were cast against Mrs. Wilkins, believed to be the first Negro to seek membership, in a written ballot among the more than 20 members present.

The organization's by-laws provide that three "no" votes rule out membership.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be

a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.

This Miss Doesn't Miss A Blade

This winsome moppet finds watering the lawn or garden is fun—and as easy as A-B-C with today's scientifically developed precision sprinklers. The Greenspot waterbob dial impulse sprinkler little Jackie Tece is using here provides water coverage for areas ranging from slender wedges to circles 80 feet in diameter.

Manufactured by the Otto Bernz Co., Rochester, N. Y., the new sprinkler works on low water pressure, has a high impact base and is constructed with stainless steel springs and reversing mechanism for back and forth watering. The sled base with turned-up ends makes it easy to move about.

Jackie's mother bought the Greenspot sprinkler at her local hardware. It's also available at lawn and garden supply stores.
