

NEW TEACHERS FETED IN RALEIGH—The new public school teachers of Raleigh were welcomed into the city school system last week by a social given in their honor at the Mary F. Phillips School, sponsored by the local branch of the NCTA. Eighteen of the new teachers were present. Seated left to right are: Miss Cora Virginia Hubbard, Mrs. Laura V. Stokes, Mrs. Catherine K. Anderson, Mrs. Margaret B. Lindsey, Mrs. Doris Burke, Mrs. Pearly Greene, and Mrs. Mary Davis. Standing: Mrs. Daisy J. William, Miss Barbara Ellis, Miss Ada Alston, Mrs. Evelyn Lyntyne Dempsey, George Jones, Miss Arnette Gilmore, Mrs. Nellie Davis, Mrs. Marjorie M. Phillips, Mrs. Geraldine Burroughs, and Miss Carolyn Culbreth.

Police Blame Phoney Modeling Schools For Many Lewd Movies

LOS ANGELES (ANP)—According to Los Angeles police, "phoney" modeling schools provide the subjects for lewd movies and the movie-making is only a sideline for those engaged in prostitution.

Officers believe that control over "modeling" agencies by police commission permit might help solve the problem. They suggested that newspapers can aid by refusing to accept "modeling" classified ads.

Police have estimated between 30 and 35 nude films are now in production in Hollywood. Lewd film production companies offer girls the promise of stardom to debase themselves. Others aim at plain photography.

Most lewd film makers are prosecuted under section 311.3 of the penal code, which prohibits lewd pictures.

Asthma and Hay Fever Relief Comes in Minutes ... and Lasts For Hours

Tiny Tablet Now Available Without Prescription!

New York, N. Y. (Special)—Medical Science has developed a new, tiny tablet that not only stops asthma spasms, but brings relief to those who suffer from hay fever attacks.

Authoritative tests proved this remarkable compound brings relief in minutes—and gives hours of freedom from recurrence of painful spasms.

This fast-acting formula is prescribed by doctors for their private patients who suffer from asthma or hay fever. And now sufferers can obtain this formula—without prescription in most states.

—in tiny, easy-to-take tablets called Primatene®.

Primatene opens bronchial tubes, loosens mucous congestion, relieves taut nervous tension, helps dry up nasal passages. All this without taking painful injections and without the inconvenience of nebulizers.

The secret is—Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma and hay fever distress.

So look forward to sleep at night and freedom from asthma or hay fever spasms. Get Primatene at any drugstore. Only 98¢.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly.

And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!"

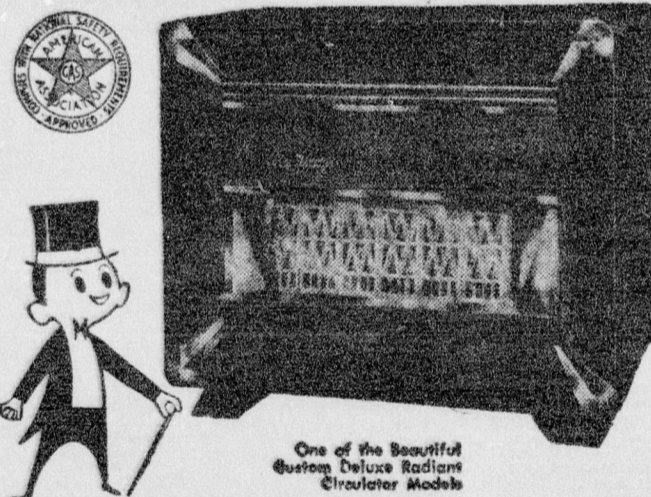

And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

On The Home Front

Items this week from Bertie and Anson Counties.

FARM AND HOME TOUR

Around 65 people in Bertie County recently made a tour in the county. According to Miss Gladys Ruffin, home economics agent, the group visited the farm of Mr. and Mrs. Johnnie Etheridge, whose son had a poultry flock from the 4-H bullet chain.

Next, the group visited the new home of Mr. and Mrs. Weldon Bond. They saw a completely modern and attractive home with good color co-ordination and furniture arrangement.

Mr. and Mrs. L. T. Bond displayed an air-conditioner in their home and also showed convenient storage features.

Miss Ruffin says the group also observed a home planned and constructed for a handicapped person. "This is the only home designed like this in the county," she reported.

Among the other stops, they observed a church where construction is still under way and also stopped at the Richard Whites' home to observe the family poultry flock and also studied a food conservation display.

PICKLE MAKING

Home Demonstration Club women in Anson County say they like pickles better that have been brined for a long period of time. Mrs. Margaret Kirk, home economics agent, says Mrs. Johnnie Watkins conducted a demonstration on pickle using the short and long method of brining.
