Hurt In School Bus Wreck

Vehicle And Truck Crash At Whitakers

WHITAKERS—A school bus, carrying pupils of Whitakers High School collided with a truck at a rural intersection near here on Thursday afternoon, causing injuries—none critical—to 11 occupants.

Trooper W. C. Keeter said that the bus, driven by Kinchen Carl Taylor, 17, was proceeding west on NC 44 when it was involved in a collision with a flat bed truck driven by Bernice Williams, 32, of Warrenton.

Taylor, who received bruises and abrasions, was treated in Rocky Mount Sanitarium. Williams, along with his passengers, Joel Reed, 29, and James Johnson, 29, received bruises and lacerations. They were treated at Enfield.

Other bus occupants, all of Whitakers, receiving bruises and abrasions, were: Richard Jones, 13; Jas. Pierce, 17; Lisa Pierce, 16; Billy Jones, 17; William Jones, 3rd, 16.

REST ROOMS AT AIRPORT—shown are the two rest rooms at the Raleigh-Durham Airport which are designated for "white men," top photo, and "colored men," bottom photo. The racial designations have sparked the sending of telegrams to President Kennedy urging him not to visit the state as he planned Thursday.

Rest Rooms Segregated At Raleigh-Durham Airport

A Negro youth group was told Tuesday by Raleigh-Durham Airport Manager Harry Boyd that racial discrimination is not practiced at the facility.

This statement was refuted, however, when a photographer from THE CAROLINIAN took pictures the same day of the rest rooms at the facility marked "white men" and "colored men."

The Durham youth and college chapters of the National Association for the Advancement of Colored People sent a telegram to President John F. Kennedy who is scheduled to arrive at the airport Thursday on his way to the University of North Carolina at Chapel Hill.

"This airport has been a leader and a pioneer in treating people without regard to race, color or creed. Our philosophy has been one of no discrimination," Boyd said.

Segregation signs are posted on rest rooms because of state laws, the manager said. "I know of no attempt to enforce them," he added.

"The restaurant has served colored people on the same basis that

it has served whites since 1946 or 1947, I believe," Boyd continued.

A large number of telephone calls followed the telegram to Kennedy. The director of the Federal Aviation Agency was one of the callers.

Sweet Daddy's Successor Says Election Legal

WASHINGTON (AP)—Elder Walter McCullough, who contends he is the rightful successor to the late Bishop Charles M. (Daddy) Grace, has appealed District Court Judge George Hart's order invalidating his election.

The notice of appeal from the order was filed last week by Attorney Frank Reeves.

Judge Hart found the election illegal recently, ordered a new one and appointed William B. Bryant, attorney, as receiver of the church the United House of Prayer for All People of the Church on the Rock of the Apostolic Faith.

Issues Restraining Order

The judge also issued an injunction restraining Elder McCullough and others from holding themselves out to be the head of the church pending a new election.

At the time of the judge's ruling, attorneys for Elder McCullough and 11 elders, indicated that they planned to file the appeal.

Meanwhile, there still stands for disposition a petition filed by Elder John W. McClure, through his attorneys, King David and Julius Robertson, asking that Elder McCullough

Cop Killer Loses Plea To U. S. Supreme Court

WASHINGTON—The United States Supreme Court on Monday refused a hearing for Melvitt Faust, 22, sentenced to die for killing a Charlotte policeman.

Counsel for Faust had asked the court to review the July 1, 1960 conviction, declaring that the state did not produce evidence of premeditation of murder in the shooting of Patrolman Johnny Annas.

Annas was slain with 6 bullets from a service gun after he and fellow officer, Jack Bruce were disarmed trying to break up a knife fight in the Negro section of Charlotte on May 21, 1960.

Unless Faust's lawyers try further legal proceedings or Governor Sanford grants executive clemency, Monday's decision means that Faust will die in the gas chamber.

2 Firms, State Agency Face Discrimination Charges

WASHINGTON—Charges of racial discrimination against six private companies, a labor union and a state agency—three in North Carolina—were filed Tuesday with the President's Committee on Equal Employment Opportunity.

Supporting the eight complaints brought by the National Association for the Advancement of Colored People, were 30 affidavits signed by persons who claimed they were discriminated against because of their race.

Named in the complaints were Liggett & Myers Tobacco Co., Durham; Douglas Aircraft Co., Charlotte and the North Carolina State Employment Security Commission, at Durham.

Also named were the Atlantic Coast Line Railroad and the St. Louis-San Francisco Railroad Co.; the Brotherhood of Railroad Trainmen; the Western Electric Co., Nashville, Tenn.; and AVCO Manufacturing Corporation, Nashville, Tenn.

Separate racial seniority lines at the Liggett & Myers plant restrict employment opportunities, according to complaints filed by 32 Negro employees. Similar objections were filed against Douglas Aircraft.

KNOXVILLE, Tenn.—Fifty-one college students arrested for picketing two downtown white movie theaters refused bond Tuesday and packed the city jail with a choral rendition of Negro spirituals.

One white man, identified as Clarence Edward Riggs, also was arrested when the students appeared suddenly in front of the theaters Monday night and blocked traffic on Gay Street, Knoxville's main business thoroughfare.

There was no violence, but police said the mass picketing attracted "nightsiders and white boys—some of them itching to start something."

The students listed their home address as Knoxville College, Dr. James Colston, president of the

Knoxville College is a private institution with 585 students. It is affiliated with the Presbyterian church.

Knoxville and Knox County schools were desegregated a year ago under a grade-a-year plan, and most downtown lunch counters and variety stores were desegregated last year after sit-in demonstrations. The motion picture houses, however, remained segregated.

"This is the first time anyone has been arrested," said the Rev. W. T. Crutcher, who is co-chairman of the Associated Council for Full Citizenship.
