Mr. Brown remained at his home antil Sunday, when upon the advice of his physician, he entered the hospital. His condition is reported to be fine and that he will be out of the hospital on or about January 3.

He is said to have suffered the same kind of heart attack as that suffered by former President Dwight Eisenhower and Vice-President Lyndon Johnson. It is believed that he will be able to resume his duties, as head of the local school, in about two or three months.

George L. Foxwell, assistant principal, is now in charge of Ligon School and it is reported, from
