

Dr. M. L. King Says Mississippi Can Elect 5 Negro Congressmen

ATLANTA, Ga.—Dr. Martin Luther King, Jr. declared recently to a packed audience of more than a thousand at the First Baptist Church at Clarksdale, Miss. "It is not beyond the realm of possibility that we can send as many as five Negro congressmen to Washington."

Speaking at a political rally of Negro voters determined to send the first member of that race to congress since Reconstruction, the SCLC president said, "If we make a determined push in voter registration, with an all out campaign to serve the ballot, in spite of the resistance and the conniving methods of Southern registrars and county sheriffs, we can change the entire political structure of the state of Mississippi."

"We must be prepared to stand-in, sit-in, and walk-in by the thousands, in order to reveal to the world that we are determined to be first class citizens."

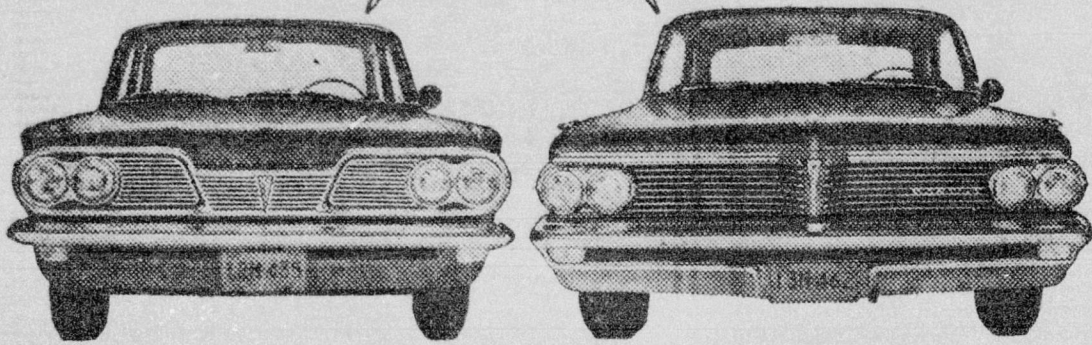

The rally for the Reverend Theodore Trammell, the candidate for congress, climaxed a two-day tour of the Delta Country of Mississippi.

A spokesman for SCLC estimated that Dr. King made personal contact with more than five thousand persons in the Coahoma County region. The visit included stops at country stores, plantations, cotton gins, and public and parochial schools.

Dr. King's plans called for concluding the first leg of his SCLC's "People to People" program with a trip into Jackson, Miss. Friday morning for a series of nonviolent workshops.

Heard the word? We were third in sales in '61. Third!

It's nice to be loved.

Like we've said: "When people like a car they show it." All you have to do is put together a car that's sharper looking, smoother running and a bigger value. That's why Pontiac and Tempest stormed into third place. Why don't you see your Pontiac dealer (a very happy man these days) and go with a winner?

Fayetteville Men Win Own Cases

FAYETTEVILLE — Justice prevailed without legal counsel last Wednesday as two defendants charged with manslaughter received "not guilty" verdicts after pleading their own cases.

James McLeod, 45, of Fayetteville, was acquitted in the Nov. 4 highway death of James McCall. McCall died of injuries in the accident. The jury spent all day on the case.

Ralph Foy, 21, also of Fayetteville, pleaded his innocence on grounds that he was defending himself from attack by Billy Brewington, who was killed in a fracas. The jury agreed that the defense was justified and freed Foy.
