THE TRIUMPHAL ENTRY; PAST OR FUTURE?

Did our Lord actually ride in triumph into Jerusalem to become King of the Church? or is His true triumph still to come?

True, the townspeople cried: "Hosanna, blessed is the King of Israel that cometh in the name of the Lord" (John 12:12, 13). But Jesus responded by entering the city by riding "an ass' colt" (Vers. 14, 15). Surely this was not a very regal sight! Once before, when He knew that they "would come and take Him by force to make Him a King, He departed...into a mountain Himself alone" (John 6:15).

He knew that it was not yet time for Him to reign. First must come the cross, then the throne. Zechariah had prophesied of this entry into Jerusalem, saying: "Behold thy King!" Look at Him! and then he describes His entrance: "lowly, riding upon an ass; even upon a colt, the foal of an ass" (Zech. 9:9).

At this entry, "When He was come near, He beheld the city,

and wept over it" (Luke 19:41). At this entry He entered into the temple, looked about and went out again (Mark 11:11). It was His Father's house, but He could not worship there. It had become a den of thieves. No, this was no triumphal entry. Look at Him, meek, lowly, riding on an ass' colt, and then see Him coming again as Rev. 19:11-16 describes it. How different the symbolism!

Once meek, lowly and "having salvation," Now "in righteousness doth He judge and make war." Once, riding "an ass' colt." Now, "Behold! a white horse!" And those eyes, once filled with tears are now "as a flame of fire."

Our Lord's true triumphal entry is still future. According to prophecy He will come again, put down all rebellion against Himself and reign in glory and power. Thank God He has not yet done so! In love He still points to Calvary, where He died for our sins and offers us the riches of His grace. "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

Official Of A&T Urges Quickening

GREENSBORO -- An article appearing in a leading professional journal and written by an official at A&T College urges a quickening pace in providing broader opportunities for youth.

The article, "Our Challenge -- Experience for World of Work," appearing in the February issue of The AGRICULTURAL EDUCATION Magazine, is authored by W. T. Johnson, Sr., assistant State Supervisor of Vocational Agriculture, who maintains headquarters at A&T.

Johnson urges for youngsters earlier exposure to vocational training, year-round educational and recreational programs to keep young minds busily occupied, and bold, new concepts in education which will build the programs around both the interest and needs of young people, not only for preparation for college, but for preparation for employment.

He builds the case that vocational education has not only the responsibility, but a real challenge to help meet these needs.

MEDITATION

A SERMONETTE
BY COLIN DOUGLAS

"Great peace have they that love thy law." --Psalms 119:165.

Oftentimes it may seem that negative forces, the forces of evil, are more powerful than the forces of good. It seems that these evil forces are holding the whiphand in our world. This is NOT so. And the person who keeps his heart and mind centered on God knows full well that it is not so, and can NEVER be so.

Regardless of how unjust or how unharmonious conditions may seem to be in your personal affairs or in those of the world, your faith in the Divine justice of God, your positive stand for His principles, gives you power over injustice or inharmonious, or, in fact, over all circumstances.

The only power that a seemingly difficult situation has is the power that you yourself concede to it through your belief in it and through your own submission to it. All difficulties lose their power over you when you look upon them merely as challenges to be met and overcome.

Through our daily prayer, we can come to recognize and acknowledge God as the ONE and ONLY power in our lives and in our world. We can know that His law of love and justice is changeless and eternal, and that we must allow it to act in our lives and affairs now and always. We have only to trust and turn to our Father in loving and faithful prayer to avail ourselves of His help.

Armed with the knowledge of God's ever-present love and power, we can refuse to be disturbed by appearances. We acknowledge God as the only power. And we know that His will, which is justice for all, will be done always.

"Jehovah is good, a stronghold in the day of trouble."
--Nah. 1:7.

An investment in Your Future

ATTEND CHURCH

We all thrill to a...

FAMILIAR TUNE

It is so soothing, comforting, and pleasing to listen to our favorite tunes when played by capable artists. These tunes can make our minds wander back to pleasant memories of days gone by, and also awake us to new joys. Each Sunday we have the opportunity to be thrilled by the preaching of God's word, and the story of God's great love for us. Attend church Sunday and enjoy worshiping God with others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
