sport at Saint Paul's. President Earl H. McClintock of the college made the announcement of Morris's selection, upon the recommendation of Athletic Director Joseph E. Thompson and the athletic committee headed by Professor William H. Whitehurst, Alumni Office Director. An all-time athlete in Saint Paul's annuals during four seasons of football and basketball, Morris graduated last May 29 with the B.S. degree. He succeeds Robert Smith, SP coach for six years, who resigned in mid-June to return to his hometown of Paterson, N. J. Saint Paul's is a charter member of Central Intercollegiate Athletic Association (CIAA), which has 18 members in four states and the District of Columbia, the Commonwealth College Conference, consisting of five Virginia institutions, and the National Collegiate Athletic conference--the major governing body of inter-collegiate sports.

At Huntington he was tutored athletically by Thaddeus Madden and Raymond Crittenden in football and by Crittenden in

basketball. At SP his athletic coaches were Smith, Thompson, and O. G. Walker.

At Saint Paul's Coach Morris was twice elected by teammates as campus athlete-of-the-year. As a freshman he was chosen linesman-of-the-year. Several times he was selected for CIAA and NAA football and basketball all-star teams.

On campus he was a member of the Varsity Club and vice president of the Student-Faculty Council and the senior class. Coach Morris was scheduled to arrive here on July 5 to take

up his new duties fulltime. During the summer the 6' 4", 190 pounder will attend one--and possibly two--coaching clinics.

Son of Matthew Morris and Mrs. Mary Morris Cousins, the young coach lately has been living with his wife and daughter at his mother's home, 3236 York Street, Hampton, Virginia.

He is married to the former Miss Holmes of Richmond, Va., a 1964 SPC graduate. They have a daughter, Leeta Deneen, age two. The wife and daughter will join Coach Morris here by August 1.

NOW HEAR THIS

According to the Hearing Aid Industry Conference most hearing losses result from one of four principal causes. They are: infection, otosclerosis (bone disorder), noise and age. Six million Americans who are suffering from hearing losses of varying degrees could be helped through medicine, surgery or the use of a hearing aid. However, they do not know they can be helped because they will not admit to or recognize their loss and seek the available help. Why not invest a little of your time one of these long Summer days and get your hearing tested? Be sure you are not one of the six million missing out on the wonderful world of sound.

THE VETERAN'S CORNER

EDITOR'S NOTE: Below are authoritative answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further information on veterans benefits may be obtained at any VA office.

Q -- What Federal Civil Service Preference rights does the Post-Korean GI Bill give me? I had active duty from May 30, 1960 to June 1, 1961 and received an honorable discharge.

A -- Five point preference in competitive examination for Federal Civil Service Jobs will be added to competitive examination scores of veterans discharged after January 31, 1955. (Ten points will be added for veterans with service-connected disabilities or who hold a Purple Heart.)

Q -- What part of my tuition and cost of books and supplies does the VA pay under the educational provisions of the new GI Bill?

A -- None. If you have been discharged from service and are attending school full-time under the new GI Bill, the VA pays you \$100 a month if you have no dependents; \$125 with one dependent; and \$150, with two or more dependents. The rate is proportionate for 3/4 or 1/2 time. You pay for your own tuition, books and supplies.

Q -- I am seeking some information as to how long one has to wear a uniform in the Army to be classified as a veteran? I have been told that a new law has been passed whereby a person wearing a uniform 24 hours is a veteran. I tried to join the Armed Forces several times during the First World War, but was rejected. I was drafted soon afterwards. I was sent to Fort McKinley in Portland, Me., on October 21, 1918. I was given a discharge from the service on October 21. All the time I was wearing a uniform. Am I therefore considered a veteran?

A -- To be considered a veteran of World War I you must have served at least 90 days of active, honorable service beginning April 6, 1917 and ending Nov. 11, 1918. An exception is if you served with the U. S. military forces in Russia then the period ends April 1, 1920, unless discharged sooner because of a service-connected disability.
