

SHAW U. AWARDS CONSTRUCTION CONTRACT -- Shaw University has awarded a \$1,334,300 contract to R. N. Rouse and Company, Inc., of Goldsboro, for construction of the high-rise women's dormitory and a Student Union-Dining Hall, pictured above. President James E. Cheek announced that the Board of Trustees' Executive Committee approved low bids totalling \$2,044,419.51. Construction is expected to begin immediately on the site located between South Blount and Person Streets, the University campus area now being used for athletic practice facilities. Architects are McGee and Scovill of Raleigh. Funds for construction of the two buildings were made available through a \$1,950,000 Federal loan from the U. S. Department of Housing and Urban Development. The dormitory, a nine-story structure, will house 404 women students and the Student Union-Dining Hall edifice, which will be a two and one-half story building, will accommodate an enrollment of 1200 students. Both buildings are scheduled for completion by late summer of 1967 in time for occupancy for the 1967-68 school year.

Harvey-Baker Nuptials Solemnized At High Noon

Martinsville, Va. -- Grace United Presbyterian Church, Martinsville, Virginia, was the setting for the wedding of Miss Norma Jean Baker, daughter of Mr. and Mrs. John Taylor Baker of Fieldale, Va., and William Robert Harvey, son of Mr. and Mrs. William Harvey, of Brewton, Alabama, at twelve noon, Saturday, August 13th. Rev. Robert E. Foster officiated at the double-ring ceremony.

Mr. John H. Saunders, organist and Miss Priscilla Hairston, soloist, provided the nuptial music.

Given in marriage by her brother, Cpt. John R. Baker, of San Juan, Puerto Rico, the bride wore an empire sheath gown of white silk organza over peau de soie. Appliques of re-embroidered Alencon lace with clusters of miniature pearls, iridescent jewels, and bugle beads accented the bodice, the bracelet sleeves, and the skirt of the gown. Her tiered veil of French illusion was waist length and fell from a petal cluster of white organza leaves with pearl trim. She carried a cascade bouquet of stepanotis, centered with an orchid.

Attendants of the bride were Miss Fredi Savage, of Richmond, Va., who served as maid of honor, Miss Anne Harvey, sister of the bridegroom, and Mrs. Geenda King, cousin of the bride. They wore floor length sheath gowns of empire design featuring a slim skirt of aqua organza over peau de soie. The fitted bodice was of aqua Florentine lace designed with portrait necklace dipped to a deep decollete in back. An aqua satin girdle encircled the high rise waist. A double panel of silk organza fell from a Watteace bow of satin to form a train. Her short veil of imported illusion fell from a matching satin bow with a pearl trim. Carol Gilmore of Philadelphia, Pa., served as flower girl, and wore a day length gown of white lace over organza fea-

turing a full skirt and a ribbon sash of aqua velvet with a bow and streamers. Birmingham, Ala., cousin of the bridegroom, was best man. Ushers were Donald K. Baker, brother of the bride, Rayford Harvey of Pensacola, Fla., Howard L. Baker, brother of the bride and Harold Thomas of Washington, D. C.

The bride's mother wore a day length gown of sea mist silk faille and Swiss lace. She wore matching accessories and an orchid corsage.

Mother of the groom wore a street length gown of candy pink crepe and Florentine lace. She wore a corsage of phalaenopsis orchid.

Immediately following the ceremony, the bride's parents entertained at a reception in the Church Social Hall.

For traveling the bride wore a two piece A-line dress of white and cranberry. Her orchid corsage was lifted from her bouquet.

Mrs. Harvey is a graduate of Virginia State College, while the groom is a graduate of Talladega and is completing graduate studies at Virginia State College. Both are employed by the Richmond Public Schools.

After the wedding trip to Florida, the couple will reside in Richmond, Va., at 2001 Joshua Street, apartment G.

Out-of-town guests were from San Juan, Puerto Rico, Chicago, Ill., Indianapolis, Ind., Pensacola, Fla., Pittsburgh, Pa., Philadelphia, Pa., Washington, D. C., Richmond, Va., Birmingham, Ala., Lansing, Mich., and Los Angeles, Calif.

KC Begins 92nd Year Sept. 3rd

KNOXVILLE, Tenn. -- Knoxville College will begin its 92nd Academic Year when freshmen arrive for a two-week orientation program, September 3, Dr. Robert H. Harvey, academic dean in charge, has announced. Dean Harvey heads a committee which is operating the college until a president can be named to succeed Dr. James A. Colston, who resigned after fifteen years to accept a similar position at Bronx Community College, New York City. The KC Board of Trustees is expected to name Dr. Colston's successor sometime late in October, following their annual meeting.

"Among the most challenging responsibilities of the faculty and staff this year will be the self study, which is periodically required by the Southern Association of Colleges and Schools," Dr. Harvey said. "Five new faculty members will join the Knoxville College family this year," he continued.

They are three National Teaching Fellows; Oscar Allen, English; Thomas Bieler, economics; and Charles Montgomery, sociology; and two Woodrow Wilson Fellows; Mabel Walker, history; and Chris Witherspoon, philosophy.

Also returning this year is Miss Mary E. Stewart, who has been a teaching fellow while studying in the St. Paul, Minnesota area. She will head a new department as director of English composition.

Dr. Harvey also pointed out that the Faculty Institute will convene Sept. 8, 9, 10. The Thursday meeting will be devoted to departmental conferences, and the institute proper will open Friday morning. Saturday morning will be devoted to student leader conferences; Saturday afternoon a picnic will be held.

INTEGRATED BOOKS
RICHMOND, Va. -- A campaign on behalf of "integrated" textbooks has been launched by the Virginia Council on Human Relations. The council charges that the textbooks used in Virginia's schools picture the United States as a "white society," overlooking the contributions of Negroes to American civilization. A standard history textbook, the council noted, points out that Benjamin Banneker, a Negro, aided in surveying Washington, D. C., but that the book used in Virginia drops that reference.
