DROPPING OF 4 NAACPERS AN INSULT TO REASON

BY J. B. HARRIS
ROCKY MOUNT—The recent action of the nominating committee of the National Association of Colored People in dropping, or refusing to renominate, four (4) long-time members of the national board for the new three-year term, beginning January 1, 1966, constitutes a gross miscarriage of justice to the entire Civil Rights program, and an insult to the intelligence of loyal NAACP members who have labored hard—against heavy odds—for the gains in better race relations and opportunities for minority-group citizens for fifty-seven years!

Bishop Stephen Gill Spottswood, the AME Zion prelate, who has given years of valuable service; Arthur B. Spingarn, with 35 years of service as president (having succeeded his late father, Joel E. Spingarn, of the founders of NAACP); Walter P. Reuther, world-known president of United Automobile Workers, AFL-CIO, who has been on the board of NAACP since 1949; and former N.Y. Judge Hubert T. Delany, who has served since 1934.

We have no complaints about the qualifications of the four new members nominated in the place of these proven veteran NAACPers, who should not have been dropped at this crucial period in the life of NAACP when our organization is an outstanding force in trying to help maintain an "even keel" on the rough sea of human relations, called Civil Rights.

Why would any Negro want to drop 88-year-old Arthur Spingarn from the roll, after he has given more than fifty years to helping make it possible for us to protest, demonstrate, and integrate in a substantial way—in most of America? Where would we have been without Walter Reuther's help in getting AFL-CIO and other groups to aid us? Dropping him is suicidal.

Bishop Spottswood has been of invaluable aid in bringing more of the clergy and churches into our freedom fight, and many other ways as well.

And Judge Delany, himself a native Tar Heel (Raleigh) is renowned for his service to our cause.

The NAACP can only "save face" by the action of the local branches and State Conferences in coming to the front and sending up individual (or collective) petitions to have most (if not all) of these men renominated for election to the board by December 15. Let's do that friends. This is the plea of this Life Member.

Such petitions must be sent to NAACP before November first.

Du Bois Hi Lions 'Chew Up' Fuquay Hi's Bisons

BY MRS. MARLENE S. JONES
FUQUAY-VARINA - In an outstanding show of determination, The DuBois Lions of Wake Forest, were the victors in a 44-14 football game last Friday night.

After only three plays in the opening minutes of the game, DuBois halfback James King ran 45 yards for the first touch down.

There was no stopping the Lions after the first "taste of blood." Quarterback John Walker began moving the team with James King again carrying for two T.D.'s, one for 35 yards and the other from the DuBois 5.

Again, Coach Napoleon Johnson's tensions were eased when Jerry Jones ran 75 yards on a sweep around left end. Then John Walker passed to end Richard Jones who ran 35 yards for another score.

It seemed like a good time for all to run T.D.'s. Terry Lucas, Center, intercepted a pass for a 10-yard T.D.

Extra points were received when Charles King and Richard Jones each caught a pass from Walker and James King ran one in.

DuBois had a total of 16 first-downs with a 349 yard gain in rushing. There were 2 punts for 30 yards. There were 6 interceptions. Penalties totaled 6 for a loss of 65 yards.

Fuquay was slow to get a score but finally came through with two touchdowns in the last quarter.

The Lions lost their first game, 20-14, to Chatham High, Siler City. In their next game on Sept. 30, the Lions traveled to Garner Consolidated.

Siler City Tops Garner Team, 6-0

SILER CITY - The Tigers of Garner Consolidated High School growled, but it took a little more than a growl to put up such a good defensive fight last Friday night. But in the outcome, they faced their second hard fought defeat when Siler City's Chatham High scored the only touchdown with 8 minutes remaining in the game.

The Garner Tigers came back with four minutes in the game as Herman Jones, the quarterback, hurled a 60 yard pass to Willie Joe Crowder, and he threatened to make a touchdown with only two minutes remaining in the game, but with good defensive playing, one of Siler City's players halted him. On the road again this week, seeking victory as they motor to Johnston Central High of Smithfield, Coach Hickerson of the Tigers stated that he is really satisfied with the boys' playing because they are inexperienced.
