The City-County Identification Bureau was called in to check for fingerprints and other incriminating evidence.

**LIQUOR STORE ENTERED**

Officers Norman Artis and James E. (Bobby) Daye reported at 4:15 a.m. Sunday, that they discovered the bottom front door glass on the southside of the Alcoholic Beverage Control Store, Highway 401 South, broken out and a pint of Kentucky Gen-

lemen whiskey under the broken pane.

The store's manager was called, but was unable to determine how much whiskey was missing.

The pint of liquor, found at the scene, was taken to police headquarters for examination.

**YOUTH SAYS HE FOUGHT BACK**

Thomas Edward Hinton, 16, of 16 N. Fisher Street, informed "the law" at 11:4 p.m. Saturday, that he was at Barbara's Soda Shop, N. Carver Street, when an unnamed Negro struck him and pushed him.

"I hit him back in self-defense," stated young Hinton, because I hadn't done anything to start trouble with this person."

No arrest was made in the case.

**STATION WAGON STILL MISSING**

We made an error in the column last week by reporting that Mr. Kenneth Charles Wilkins' station wagon had been recovered. However, the file at police headquarters stated that it had, but no other information was available.

Mr. Wilkins called the editor of the column Tuesday of this week to report his 1959 Chevrolet station wagon was stolen sometime after 9:30 p.m. on Saturday, September 17, and he still has not recovered it.

The car, parked in front of Wilkins' house at 30 N. Carver Street, has a green body and cream top. The license number is WD-9362.

Anyone having any information about Mr. Wilkins' station wagon is urged to contact him at telephone number TE-30441, or call the Raleigh police station at telephone number TE-31611.

**Films For Men's Groups At Libraries**

Three new films have been added to the North Carolina Adult Film Project and are now available from the Olivia Raney and Richard B. Harrison Public Libraries. They were selected as possible programs for men's groups. Any group may use these sixteen millimeter films at no charge other than postage upon two or more weeks prior request at the library.

The three films are:

**AS TALL AS THE MOUNTAINS**—A documentary account lasting a half hour showing the physical and limits to which boys enrolled in the Outward Bound School in Colorado are pushed.

**Yes, We All Talk**

BY MARCUS H. BOULWARE  
THANKSGIVING SPEECH

QUESTION: I have been invited to make a "Thanksgiving Day Speech." I don't want to do the usual thing and talk about the Pilgrims, turkey, and so on. What would you suggest that is different? - Mrs. L. C. D.

ANSWER: For example, I suggest that you use a subject based upon the Bible theme of the rich man who built new and bigger barns. When he had taken an inventory of his stock, he said: "I have more than enough to spare. My soul be at ease."

What happened? That night, the Lord sent death for his life. The wealth that he left behind was enjoyed by his relatives. Many worthwhile ideas can be organized and arranged for this theme. I guarantee that it will be novel.

**Planned Parenthood Program**

The Wake County Health Department has had a Planned Parenthood Program since 1937. This, for the most part, was an educational and referral program to help families plan and space their children according to the needs and desires of the parents.

In March, 1966 a Planned Parenthood Clinic was started

In the Health Department to help meet the needs of the people who are unable to receive these services from other sources.

The Planned Parenthood Clinic offers an examination by a local practicing gynecologist to determine the best contraceptive method for each patient.
