Huge Treasury of Knowledge—Magnificent New Edition

Think what it would mean for you and your family to have this great reference work ready at hand to answer all questions in every field of knowledge.

A fine encyclopedia is the one set of books most important for the home — an absolute necessity where there are school children or college students. And no encyclopedia in existence is finer than this one, or more useful, or better for family use.

Each volume has the contents of three ordinary books. The complete set contains SEVEN MILLION WORDS in all, in nearly ten thousand double-columned pages, covering over

THIRTY THOUSAND different subjects embracing a condensation of all man's knowledge!

This newest Eldorado Deluxe Edition is really gorgeous, bound in creamy simulated leather, stamped in red, black and gold, with special end-papers, full-color frontispieces, thousands of photographs, drawings, and diagrams illustrating the text, and full-color maps of every country on the globe, comprising a complete World Atlas. Most beautiful of all, the page-tops of all the volumes are gilded, as only really expensive books are gilded, making the set a superbly luxurious ornament for any home.
