

we care

who shops at A&P?

People who have discovered there is more to a Super Market than meets the eye.

People who have discovered the advantage of shopping at a store that is fair, honest, and dependable.

People who have learned how nice it is to be cared about.

People who want a store that stands behind everything they sell, no matter who makes it.

People who want to be sure they'll never miss out on an advertised special.

People who are concerned about their total food bill.

Shouldn't A&P be your store?
