HOUSTON (NPI) - It's still anybody's guess who will be heavyweight champion Muhammad Ali's next foe, but if you take the hint of the champ himself, it will be either lanky Zora Folley, who is out in the vanquished Ernie Terrell mold, or Canada's George Chuvalo, in that order. Meanwhile, reports circulate that ex-heavyweight champion Ingemar Johansson of Sweden is seeking to match Ali with Sonny Liston, another victim of the champ, in a third title fling.
