Johnston Jail Cruelty

Robinson ten children is said to be about Asks For

Mrs. Jacob Robinson, wife of Jacob Robinson, 44, of 867 Hadley Rd., charges that her husband is being held in the Johnston County jail under bad circumstances and with no regard for his life.

Mrs. Robinson alleges that he was taken there Saturday night, after he was arrested for the death of a 17 months old white child, as the result of a wreck, in which his car and that of the dead child's father, were involved.

She alleges that her husband was the last one to be taken from the wrecked cars and that he remained pinned under the steering wheel of his car for some considerable time and when he was taken out, he was carried to Wake Memorial Hospital, under heavy guard. She further alleges that when it was found that the child was dead, he was whisked to Smithfield, without proper medical attention and placed in jail.

According to her, he is sorely in need of medical attention and law enforcement officers

Man Refuses Cut By 'Girl'

Charles Andrew Hood, 39, 524 S. Bloodworth St., finally made up his mind, after having been slashed in a family brawl that involved him, his wife and step-son.

Hood alleges that he and his wife were having an argument about 6:20 p.m. and his wife's son, John Lawson, 17, became involved. In some way Hood is alleged to have received a 3" cut on the left side of his face. He would sign no warrant for this, but when his wife cut him about 8:30, the same night, and the police came again, it was more than Hood could take and he signed a complaint.

Yarborough reported that he was talking with three girls and one asked him to go home with her. He refused the invitation and "she" cut him on his left forearm.
