

SALUTING THE BOY SCOUTS of AMERICA ON THEIR 58th ANNIVERSARY

"I suppose every boy wants to help his country in some way or other. There is a way by which he can do so easily, and that is by becoming a Boy Scout."

Baden-Powell

Scouting has become increasingly more important to the future of our country. This is one reason why the Scout movement aims for a high standard of citizenship, character and physical fitness. In the program there is a strong emphasis on training for citizenship. Every boy must learn respect for the flag, loyalty to country, and an appreciation of our American heritage. We salute the Scouts and the great work they are doing in making better citizens.
