

NIXON WINS; BOB SCOTT IS N. C. VICTOR

Captures Both Popular And Electoral Votes

Richard Milhouse Nixon is believed to have realized his fondest dream, being elected President of the United States, just before The CAROLINIAN went to press Wednesday morning.

The reporter assigned to cover the election, like many other newsmen, kept a close vigil all night Tuesday and kept a close eye on the incidents attendant to perhaps the most suspenseful election since 1916, when Charles Evans Hughes went to sleep thinking he was the President, only to awake and find that Woodrow Wilson had carried California, thus defeating him. At CAROLINIAN press time, Nixon had over 287 electoral votes. Only 270 are needed to win.

"Election '68" presented the same pattern that the 1960 election showed when John F. Kennedy nosed out Nixon, in a

"squeaker." Cook County (Illinois) presented the same suspense as it did in 1960, when there were charges and counter-charges about the counting of the vote.

Persons close to the scene said that the Nixon forces were aware of what could happen and when it was learned that Cook County would be coming in late, the Nixon forces decided that there would be late returns from downstate and by this method they were able to maneuver along with the Cook County boys.

As was expected, the Negro vote showed up in the Humphrey column from Main to Florida and from New York to California (See NIXON WINS, P. 2)

Raleighite 2 Brothers Claims She Held In City Death Was Raped

Mrs. Doris Taylor, 1420 Oakwood Ave., reported to Officer G. W. Abernathy at 3:44 a. m. Saturday, that she started to mount the steps at the rear of 313 S. East St. and three colored males grabbed her and threatened to kill her if she made any noise.

Shortly, the woman declared, the trio forced her to go down a path that led well behind the S. East St. address and into some woods.

She said she was then taken to a very deep ditch and forced to go down into it, when one of the three went into the ditch with her and raped her. The other two are reportedly to have stood "look out" for the alleged ravisher.

It could not be ascertained just what Mrs. Taylor was doing in the East Raleigh neighborhood (See CLAIMS RAPE, P. 2)

Raleigh police are holding two brothers for murder, following the death of a 50-year-old former Holly Springs woman here late Saturday. Being held are 19-year-old James B. Bennett and his 16-year-old brother, Jerome Bennett, both of 121 Walser Place.

Black Vote Believed Big Factor In Win

There were crinations and recriminations from the battle that has gone on between Bob Scott and James Gardner, candidates for the governorship of North Carolina. Scott appears to have won the election as the count was tallied Tuesday night and early Wednesday.

Gardner had not conceded as late as noon Wednesday and is believed to be toying with the idea of a recount. He alleges that there were too many discrepancies and this gives him reason to believe that a recount would turn up a lot of things.

Scott stayed away from Humphrey, and Gardner scared many voters with the fact that he believed many things that Wallace said. Scott would not be tied down at the Democratic Convention and neither did he make any effort to gain the Negro vote. His action in this manner, is said to have caused many Democratic leaders to

seriously consider going to Gardner.

The Negro vote stood firm for Humphrey and Scott throughout the state and it is thought that this vote was the margin by which Bob Scott beat Jim Gardner. Gardner was being eyed by the Negro vote, but when he is alleged to have spurned it, it turned to Scott. In another close race, the Negro seems to have deserted G. Fred Steele for the U. S. Congress seat, from the 4th District, comprising Wake, Durham, Orange, Chatham and Randolph counties. The trend was (See SCOTT WINS, P. 2)

Three Students Claim 'Political Win' In Case

KNOXVILLE, Tenn. - The trial of three Knoxville College students ended in what the students and their lawyers termed "a political victory" last week.

Pete Tigner, Joseph Scott and Gary Keel were charged with possessing explosives and conspiring to blow up two college buildings, after a white cab driver was killed on the campus March 9. They pleaded guilty to two reduced charges, after an agreement between their lawyers and the Attorney General.

They were sentenced to serve 11 months and 29 days on each charge, concurrently. The judge has allowed them to return to college -- where two of the three are presently enrolled -- and to begin serving their terms June 2, after the school year ends. Cleaver Hits Race Leaders

WASHINGTON (NPD) - Black Panther leader Eldridge Cleaver has assailed three spokesmen for black militancy - ousted Rep. Adam Clayton Powell, Rep. John Conyers, Jr., (D-Mich.) and Georgia Rep. Julian Bond.

According to Cleaver, Powell "never did anything for his people in Harlem." The Black Panther also attacked Conyers for not resigning from the Democratic party and Bond for purportedly becoming part of the power structure.

Attorney Henry L. Frye Wins State House Seat

Even though the Negro vote was not enough to swing the state for Hubert Humphrey, there was enough coalition with white voters here Tuesday for Attorney Henry L. Frye to become the first man of color to be elected to the Legislature of the State of North Carolina since almost the turn of the century.

Frye won the Democratic nomination for one of the six

seats allotted to Guilford County and, at that time, was given a good chance to win. He polled 33,880 votes and came out third in the field.

There was another breakthrough for the race when Mrs. Elreta Alexander, popular attorney, who switched to the Republican party in time and became a candidate for district judge. She was elected to the office, thus becoming the first Negro woman to be elected a judge in the state. She is considered one of the most able lawyers in the state and enjoys a lucrative practice among both races.

With a Republican in the White House, it has already been conjectured that she could become the first Negro federal judge in the history of the state.

Rev. William R. Crawford, over in Winston-Salem, lost in his bid for a seat in the Legislature for the second time, when retired white army Sgt. (See FRYE VICTORIOUS, P. 2)
