**GOD'S PLAN FOR ME**  
I know my Father made a plan for me.  
A plan intended for my soul alone.  
And then He blessed me with His priceless gifts.  
Which radiates through faith from His own throne.  
For God has given me a task to do,  
A place which no one else can fill.  
I pray Thee, Lord, for courage, strength and faith,  
To mold my ways according to Thy will."

## Eastside Reminders

BY MRS. RUTH M. BETHEA  
844 E. Lenoir St. PHONE 832-6389

We congratulate those who daily take care of precious children for working mothers. We admonish them that these children are the school children of tomorrow. They are tender plants, needing the very best of care, protection and instruction.

The writer, during the recent March of Dimes Drive had the opportunity of observing many homes Mrs. BETHEA caring for children. I am glad to say that in most instances these children were surrounded with cleanliness and other things conducive to produce happy and healthy children. Keep it up "Care Mothers" so that mothers whose children you care for may work well during the day, knowing their precious ones are well taken care of.

Mrs. Ina Belle Siler of Siler City, wife of Mr. L. C. Siler, who is the brother of Mrs. Callie Jones of East Lenoir Street, quietly entered her Heavenly home last Friday night unexpectedly. Funeral services were held Monday, March 24, at 2:30 p.m. Officiating was her pastor, the Rev. D. F. Brown at Lambert Chapel Baptist Church, Siler City.

Mrs. Jones left the city Monday morning to be with her brother and other members of the family during their hours

of bereavement. This was her second visit to them since the occurrence of their sadness. The many friends of Mrs. Charles G. Irving, Sr., of S. East St., are glad to know that she is now home from the hospital and doing nicely.

Sunday was a beautiful day. The skies were clear and sunny weather prevailed. Church-goers filled the various sanctuaries.

The Davie Street United Presbyterian Church worshippers again listened to a wonderful sermon from the Rev. James Z. Alexander of Shaw University. His text was taken from the 122 Psalm.

His sermons are full of spiritual inspiration. The Deltas furnished an enjoyable evening last Saturday night at Memorial Auditorium as they presented their annual Jaberwock program.

This year's theme was "Today's Dream, Tomorrow's Reality." The Queen for 1969 is Miss Rahonda McClean of Smithfield High School, Smithfield.

The ministers' wives auxiliary is planning a wonderful anniversary program to be held in Spring Hope on Monday evening March 31. The ladies are planning a wonderful outing and anniversary program. They plan to travel by bus.

Mr. Thomas Jackson of E. Lenoir St. is ill at his home with the flu, but hopes to soon be out again.

## Your professional beautician knows the answer... Can your hair be damaged from brushing, alone?

All hair becomes damaged from exposure to sun and natural elements. Certain greasy compounds and many chemicals, improperly used, also take their toll... not to mention simple attempts at beautifying the hair with any brush not made of natural bristles. The results are brittleness, breakage, dry and dull looking hair.

Your professional beautician knows how artificial bristles actually brush away a great deal of the "lubricants" of the hair that give it body, lustre and protection. And trained beauticians claim that nothing beats Clairol® condition® Beauty Pack Treatment for overcoming brittleness, dryness and breakage... leaving hair lively and easy to manage. condition® is an easy-to-work-with creme which can even be applied during a chemical straightening retouch to prevent drying of hair that has been previously relaxed. condition® is the ultimate in repairing deep-down damage. And, when time is a factor for your customers, hairdressers turn to new Clairol® Hair Dew® - the lotion conditioner that penetrates so fast many think of it as an instant conditioner. When applied regularly by your beautician, Clairol Hair Dew adds body, softens and gives a glowing new look to your hair that many friends will notice and admire.

Damage can come from using brushes with artificial bristles. But damage to every woman's hair comes from so many other causes that all human hair (including wigs) needs to be revitalized periodically. Visit your professional beautician and ask this expert to check the condition of your hair.

Only your professional beautician knows the answer for sure.
