**JESUS CHRIST - AND WE**  
"Christ has no hand but our hands to do His work today, He has no feet but our feet to lead men in His way, He has no tongue but our tongues to tell them how He died He has no help but our help to bring them to His side, What if our hands are busy with other work than His, What if our feet are walking where sins allurements is? What if our tongues are speaking of things His lips would spurn?"  
How can we hope to help Him unless from Him we learn?"  
-- Ann Johnson

# Come to Church

BY MRS. MAY L. BROADIE

The noblest thoughts our souls can claim,  
The holiest words our tongues can frame,  
Unworthy are to praise the name,  
More sacred than all others.

And now grown up we find it just the same,  
Reverently we breathe her name,  
The blessed name of Mother.

Our Father, who art in Heaven, we thank thee for the Christian mothers, as they lighten our pathways in our tender years. May we light the path for the children of this day, as they guided us in ways of righteousness and service. May we lead others. May we be true to the highest ideals which they taught us. Help us all to be true and worthy sons and daughters in Jesus' name we ask it, Amen.

## Eastside Reminders

BY MRS. RUTH M. BETHEA  
844 E. Lenoir St. PHONE 832-6389

Last Sunday was truly a day of remembering mother. It was interesting to note the flowers worn by many, red for those mothers who are still living, and white flowers for those mothers who have passed. Most churches had special services for Mother's Day. Remembering as Abraham Lincoln once said, "All I am or can ever hope to be, I owe to my angel mother."

At the First Congregational Church, the annual Mother's Day program was sponsored by the Emergency Club at the 11 a.m. service with Mrs. Irene C. Scales as speaker. It was an enjoyable service.

At Martin Street Baptist Church at 5 p.m. a Mother's Day program was enjoyed by many. Mrs. L. W. Farrell presided.

The program honored the oldest mother of the church, Mrs. Augusta Gorman; and Mrs. Pattie Lassiter, having the largest number of children.

Rev. Kearney of Franklinton conducted services at Davie Street United Presbyterian Church, including the Communion service.

All churches had some phase of recognition of mothers. The many friends of Rev. and Mrs. B. S. Foust are sorry about the unfortunate disaster to their home, and hope that soon the repairs will give them their former living happiness. We all are happy that there was no injury to anyone in the home.

"Ladies in White Night" will be held at the Saint Paul A.M.E. Church on Sunday night, May 18. Inspirational songs and the four women of the Bible will be presented at 7:30. Mrs. Addie G. Stroud will be in charge of presenting this unusual, yet promising program, not soon to be forgotten.

Miss Flonora Billings, instructor at Ligon High School, spent the Mother's Day weekend at her home, Hamlet, with her family.

Mrs. Bernestine Sanders, Mrs. Bessie W. Moore and little Miss Wanda Sanders, spent the Mother's Day weekend with their people in Bladenboro.

Your professional beautician knows the answer...

## Is peroxide needed to color unwanted gray hair?

Hair care and beauty experts know that the first traces of gray hair—and even slight fading of natural color after chemical relaxing—can dull a woman's appearance and make her look older than she feels. While most women hate these premature aging effects, many are hesitant about using permanent peroxide haircoloring which may change the natural hair color while coloring gray.

Professionally-trained hairdressers know the importance of their customers' preferences when unwanted gray becomes a problem. These experts also know that Clairol created ser-pent-permanent Loving Care® hair color lotion without peroxide... to color only the gray without changing the natural shade. It is also found Loving Care blends back color faded by chemical processing. Because of its mildness, Loving Care maintains healthy looking hair and lasts through a month of shampoos.

Whatever a woman's reason for wanting Loving Care for her hair, she is always wise to consult a professional beautician. Hairdressers are equipped with a family of fine Clairol products and the training to promise each patron the loveliest and most personalized haircoloring effects every time she visits her salon. If you dislike gray, and want no peroxide, why not ask your beautician to glamorize it with Loving Care?
