Fayetteville State To Take Part In Unique Drama Grant

ville State College is among 14-predominantly Negro colleges and universities that have been awarded a grant of \$72,-000 by the United States Office of Education for a summer authored the proposal that gaininstitute in Dramatic Arts to be held at Lincoln University during June-July, 1969.

In announcing the grant, President Rudolph Jones said that the funds will enable ten teachers and thirty students to participate in the Institute "vith all fees paid and a stipened each week to cover expenses for the eight week-session. In addition, funds have been alloted for staff salaries, consultants and three to four original plays.

The Institute will feature lectures, play writing, production, and technical workshops.

Mrs. Joan W. Lewis, Assistant Professor of Dramatics Art, Fayetteville State College, will

Project Transition - Has 20 Openinas In 14 Fields

FT. BRAGG - Project Transition officials here say there are 200 opening for training in 14 fields not previously offered by the program.

Gen Miller, Project Transition director here, said enlisted personnel due to be released from active duty within six months are eligible for the training.

"Personnel can apply at any time, but cannot begin training until they have six months left,' Miller said.

The Fayetteville plant of Black and Decker Manufacturing Co., makers of power tools, will sponsor two training courses at the plant beginning June 2.

A six-week course will train six men for jobs as portable tool repairmen, production engineers, toolroom machine operator, maintenance plant operators, buyers and accoun-

A three-month block of instruction will train an additional eight men for manufacturing skills in steel machining, general machining, armature winding, product assembly and field winding.

A seven - week course in carpentry will begin June 2 at Project Transition's 46classroom training facility in the Spring Lake area. A representative from the B. F. Goodrich Rubber Co. will give a seven - week course on retail sales at the training facility beginning June 21.

Cumberland County Community Action Center

erland Community Action Program received Memo number 7850-1 on May 12. It is entitled "Standards for Evaluating the Effectiveness of Com-

munity Action Programs." The memo outlines the standards against which the effectiveness of local CA programs will be evaluated. The evaluation is geared toward the accomplishments which constitute program effectiveness of standards for conducting evaluations. Subsequentissuances will cover the conduct of evaluations, including subjects such as composition of evaluation teams, techniques for evaluating programs, and the development of adequate

evaluation designs, In establishing program effectiveness standards in acal mandate it is not the in- posal. tention of OEO to limit the local rather to provide a basic framemay proceed to establish local goals and priorities.

MONTHLY BOARD MEETING The CCAP Board met May 15, at the County Courthouse at 8:00 p.m.

William (Bill) Bowser Executive Director of the Cumberland of the community can become more sensitive to the obligations and contributions of all

Mrs. S. L. Reeder and Mr. B. H. Berry, Co-Chairman of the Education Committee are seeking to develop the North Carolina Good Neighbor Council's idea of High School Human Relations Councils on a local level. The Human Relations Councils will concern themselves more with understanding than with activities. Such Council has been in

operation one (1) year in Laurinburg and has proven itself invaluable in creating and maintaining respect and appreciation of racial individuality. To be effective these Councils will need the approval of the principals, the concern of the parents and the grass root participation and interest of High School students.

A Sub-standard house in High

Point was rehabilitated for 2500.00. This included not only exterior beautification but interior decoration and basic furniture. Such house will serve as the model for a local approach to the sub-standard housing problems on the local level. Mr. Joseph Barr, Chairman of the Housing Committee is seeking ways and means to executive this idea on a local

puty Director. Mrs. Callena Williams and Rev. Keith Reeve were appointed to work with the Youth Pro-

YOUTH PROGRAM GETS GRANTS

At their regular meeting last week, the Youth Program Board of Directors announced that their program has been funded for \$30,000. Committee were then established to begin hiring staff and to begin operating the program. They are currently in the process of locating large two-story house with yard in which to house the Youth Program. The Program is due to be-

gin June 1, and will be subject to refunding along with the Cumberland Community Accordance with the Congression- tion Program; Package Pro-This is a completely new

initiative of its grantees, but program. It will be different from the former CCAP's Sumwork within which CAP grantees mer Youth Program. It has been approached from a different an-

The officers of the Youth Program Board are: Terence Murchison, chairman; David Roseborough, vice-chairman; Sharon Melvin, secretary; and The board voted to make Mr. Janet Fisher, treasurer.

The Youths are getting off to a great start with this entirely new and different idea.

FSC Prof. Chosen For Research

FAYETTEVILLE - Mrs. V. P. Fleming, assistant professor of biology, Fayetteville State College, has been selected as participant in the Summer Research Training Program in Experimental Embryology at the Bermuda Biological Station, St. George, Bermuda, President Rudolph Jones announced last week.

In making the announcement, President Jones said that "Fayet teville State College was honored to have one of its faculty chosen among 16-graduate students for this unique program.

Mrs. Fleming is presently pursuing courses toward a doctorate degree at the University of North Carolina. Chapel Hill. She was selected as Ford Foundation Fellow for the academic year 1968-'69.

A native of Cleveland, Mrs. Fleming has served on the FSC staff since 1960. She received bachelor's and master's degrees from North Carolina College. Additional work in her field has been accomplished at Williams College and the University of Wisconsin.
