Senior Citizens Hold Successful Workshop In City

BY MRS. HARRIETT S. JONES
The Senior Citizens Center held a workshop at the Center from 10 a.m. to 5 p.m. last Wednesday and had a successful meeting. It was very enjoyable. The meeting was opened with a devotion. We sang, "I Need Thee Every Hour" and prayer was offered by Mrs. Katie Lewis.

The meeting was then opened for business. We began our work as usual, knitting, sewing, painting, making pot-holders and doing many other things. Then we had lunch, played games, listened to music and sang spirituals. We then went back to work until 4:30. The group met Wednesday from 9 a.m. until 5 p.m. One of the members, Mrs. Carter of Camden, New Jersey, is leaving for home and will return in September. She said that she certainly did enjoy our group and that she would tell others. She gave us many ideas. We will miss her very much and wish for her a pleasant summer. We are determined to continue our workshop. Some of the members are sick, but we still have new members coming in.

The Center is located at 416 E. Cabarrus Street.
