SHARING
"The world has many happy folk,
Who smile each day they live,
Cause they've found that happiness depends on what you share.

For a sharing man is different from his neighbors in the God,
When his thoughts are his brothers the he's closest to His God.
And everything he shares a bit.

He adds a little part, to that something deep within him that the poet calls his heart."

Come to Church

MRS. MAY L. BROADIE

"What a friend we have in Jesus, all our sins and griefs to bear. What a privilege to carry everything to God in prayer."

Oh, what peace we often forget. Oh what needless pain we bear. All because we do not carry everything to God in prayer."

Our Father, in heaven, we hallow Thy name. May Thy kingdom holy on earth be the same. Oh, give to us daily our portion of bread. It is from Thy bounty that all must be fed. Forgive our transgressions, and teach us to know that humble compassion which pardons each foe. Keep us from temptation, from evil and sin. Hear our prayer, dear Lord, for there is no sorrow, too light to bring in prayer to Thee. There is no anxious care too slight to wake Thy sympathy. We know Thou who hast trod the thorny road wilt share each small distress. The love which bore the greater load will not refuse the less. Keep us safe in Thy love, in Jesus' name, Amen.

Pete's Pickin's

BY W. A. "PETE" WILDER

It was quite interesting to talk to Charlie Rivers last week as our lines crossed at Cardinal Cab Co. We had a big laugh! We were referring to the debut of one "Bus" Hamans, the husky catcher of the Fourth Ward Cubs of the old Twilight League. "Bus" was a "talking machine" and a good receiver. On his first time at bat, he swung viciously and connected. It was out of the lot at the old Shaw Ball Park, and people began to think of "Bus" in the same breath as they had "Red" Debnam. There was no difference: Hamans was through hitting. Not another safety!

Word is out that an outstanding Men's Day is being planned at Sister Gary's Church, which is currently meeting in the auditorium of the Mary E. Phillips School. The date has been settled as the fifth Sunday in August. All roads will lead that way that day at 9:30 a.m. and at 11 o'clock.

A baby contest has been scheduled for 5 p.m. on the fifth Sunday in August at St. Matthew AME Church, 805 E. Davie St. They'll knock your eyes out with a gala performance and financial effort! Rev. Morrison is the pastor.

Mr. Allen "Gaby" Brewer, the former Raleigh Grays catcher, remains at Wake Memorial Hospital. Former baseball players please note!

Mrs. Robert Gale, Sr., is visiting her family and friends in New Jersey. Mrs. Gale resides at 21 Mecklenberg Terrace, Chavis Heights.

Mrs. Bettie Jones Hooker, formerly of 709 E. Davie St. here, is back in town account of the serious illness of her

father, Deacon R. J. Jones, and her mother, Mrs. Mamie Jones. Mrs. Eunice Whitley, 616 E. Cabarrus St., and Mrs. Brunhilda Lofton, went all the way to Portsmouth, Va., to take part in a family reunion. What a time they reported! Anyway, they're home at last.

Mrs. Florence Sanders, Delany Drive, continues on the shut-in list. Her many friends and family wish for her a rapid recovery.

Mrs. Essie Dunmore, Walser St., is much improved at her home here after a prolonged illness. Thank goodness, it seems that her patience in illness is going to bear some more serviceful years.

Friends and relatives converged on Mrs. Rosa Debnam at Henderson recently. She was guest of honor at a family reunion which took place there. Relatives came from New York, New Jersey, Pennsylvania, Baltimore, Md., Washington, D.C., and Virginia. I need not say N. C. in general and Raleigh in particular. Mrs. Debnam has had many useful years in the service of the church. She is a resident of E. Lenoir St. here.

The Volunteers Social Club met with Mrs. Carrie Sanders and Mrs. Cornelia Allen, E. Hargett St., Tuesday night.

A very interesting meeting was held. Following the business session, a refreshment hour was held. Among those present, in addition to hosts, were the following: Mrs. Eunice Whitley, Mr. and Mrs. Cato Sanders, Mr. V. R. Leach, Mr. D. Lorenzo Sanders, Mrs. Brunhilda Lofton, Mrs. Janet E. Dupree. Your professional beautician knows the answer...

Why does some hair break off when combing?

Your hair is precious and delicate... and none of us like to see it break off for any reason. Scientists tell us that excessive use of hot combs and over-processing of hair with chemicals often are major causes of brittleness resulting in hair breakage. But hair that is naturally curly and tangles easily frequently breaks off in everyday combing. Notice how irritated your scalp becomes when you comb in contrast to the way your beautician does?

Your professional beautician knows that curly hair mats and tangles so easily that it should be softened before combing. Otherwise, unnecessary irritation to the scalp and damage to the shaft and ends of the hair occurs. To achieve this needed softening and a temporary relaxing effect that prevents breakage on all human hair (including wigs), most beauticians rely on Clairol® Hair-So-New® spray-on creme rinse. For combing ease and for beautifying your hair in many other ways, trained beauticians stock a complete family of fine Clairol products for your specific needs.

Visit your expert hairdresser, who cares about your hair care and your comfort. Whatever the nature of your hair problems, only your professional beautician knows the answer for sure.
