Your professional beautician knows the answer...

Is peroxide needed to color unwanted gray hair?

Hair care and beauty experts know that the first traces of gray hair—and even slight fading of natural color after chemical relaxing—can dull a woman's appearance and make her look older than she feels. While most women hate these premature aging effects, many are hesitant about using permanent peroxide haircoloring which may change the natural hair color while coloring gray.
Professionally-trained hairdressers know the importance of their customers' preferences when unwanted gray becomes a problem. These experts also know that Clairol created semi-permanent Loving Care® hair color lotion without peroxide... to color only the gray without changing the natural shade. They also find Loving Care blends back color faded by chemical processing. Because of its mildness, Loving Care maintains healthy looking hair and lasts through a month of shampoos.
Whatever a woman's reason for wanting Loving Care for her hair, she is always wise to consult a professional beautician. Hairdressers are equipped with a family of fine Clairol products and the training to promise each patron the loveliest and most personalized haircoloring effects every time she visits her salon. If you dislike gray, and want no peroxide, why not ask your beautician to glamorize it with Loving Care?

Come to Church

"There is a gate that stands ajar and through its portals gleaming a radiance from the Cross afar. The Saviour's love revealing, that gate ajar stands free for all who seek through it salvation. The rich and poor, the great and small of every tribe and nation Press onward then, though foes may frown, while mercy's gate is open. Accept the Cross and win the crown. Love's everlasting token beyond the river's brink will lay the Cross that here is given and bear the crown of life away, and love Him more in Heaven."

Dear Father, we thank Thee for the gate that stands ajar and as we see the gate ajar, help us to accept the Cross and win the prize. We cannot understand the miracle of Thy resurrection, but we believe with all of our hearts and minds. We humble ourselves in Thy presence, and rejoice that Thou art above forevermore. Help us to show our concern and express our stewardship by helping others to know of Thy love and concern for them. Help us to always be reminded of the gate that stands ajar, in Jesus' name, we pray, Amen.
