**APEX** - The Sunday School department of First Baptist Church had promotion after the reassembling of the classes. Five were promoted. The attendance was good and the children were enthusiastic over being in a higher level. Miss Carol Tabron represented the senior boys and girls, and reviewed the lesson. We are proud of the progress of the Sunday School.

The male chorus furnished the music for the 11 o'clock worship service as they do each fourth Sunday. The pastor, Rev. J. E. Perkins, delivered an interesting sermon. His text was taken from **MRS. COLVIN**

the Book of Proverbs, 15:3. He used as a subject "The Amazing Vision Of God." We were happy to add to our membership Mrs. Helen Bullock.

On Sunday evening at 7, First Baptist Gospel Chorus celebrated its 10th anniversary. The processional of the Gospel Chorus with our male chorus was very beautiful. The president, Mrs. Bernice, conducted the opening of the service. Deacon E. M. Bullock offered the prayer. Yours truly gave the welcome address; Mr. Richard Murphy, of Durham, gave the response. Miss Ida Hayes read the history. Our male chorus rendered a selection and the pastor, Rev. Perkins, introduced the speaker, Dr. W. T. Bigelow, who, with his gospel chorus, the young adult and Chancelor choirs of the Greater St. Paul Baptist Church, rendered an enjoyable portion of the program. Dr. Bigelow's text was taken from the Book of St. James 5:11. His subject was entitled "You Can Make It, If You Can Take It." This was a thought-provoking and informative sermon. Four members of the Gleaners of St. Paul lifted the offering. The ushers of Greater St. Paul and a large number of the congregation also accompanied them. The president, Mrs. Bullock, and members greatly appreciate the very fine support of our visiting friends.

Sunday afternoon at 6, the young adult choir of First Baptist Church will sponsor a program. We invite our many friends to attend.

We all look forward to our new year and pray that a fresh start and good leadership will lead us forward. ## Negro History Bafflers

What do you know about the military achievements of the American Black man? Some people actually think that the Vietnam war and the Korean war are the first in which the Negro served. If you think so, you're likely to get only 0-2 right on the multiple-choice quiz, which indicate that you need to learn more about military history. Three is fair; 4-5 is good; and 6-7 is excellent.

Bonus Question at the end counts two points. Other questions count one point each. Here's the quiz:

1. Which of these 20th century wars was the first in which large numbers of Black soldiers served in integrated units?

--A. World War II; --B. Korean War; --C. Vietnam War.

2. The 3d battalion of the 370th infantry regiment--an distinction in World War I.

--A. It was the first to be integrated with an all-white battalion.

--B. It was the only U. S. unit in Europe that never had a case of absenteeism.

--C. It won the last Allied victory of the war.

3. Gen. Benjamin O. Davis, Sr., and his son, Gen. Benjamin O. Davis, Jr., are the nation's two Black generals. The senior Gen. Davis is retired; his son was recently chief of staff of United States forces in:

--A. The Congo; --B. South Korea; --C. Palestine.

4. One of the West's greatest military geniuses, this Black man led a slave revolt in Haiti that resulted in the nation's independence from France in 1804.

--A. Toussaint L'Ouverture;

Incorporated.

An extension of Who's Who in America, the publication of outstanding American women selects around 23,000 names to be included. Based on achievement or occupational position, rather than wealth or social position, Dr. Sutton, has qualified repeatedly to be listed.

A graduate of A&T State University, Dr. Sutton has been a member of the ECSU faculty since 1962. In addition to her position as Chairman of the Department of Physical Sciences and Mathematics at ECSU, she holds position on at least seven important campus committees.

## Retaliation

**CAMP PENDELTON, Calif.** - (NPI) - The Marine Corps, noted for its brutal so-called "making-a-fighting-man-out-of-you" program, finally got a taste of its own medicine last week when some 200 marine prisoners in the local brig caught five guards unaware and peited them with rocks. The incident occurred following public acknowledgment by the base commander that there is severe overcrowding in the brig and that marine prisoners have been "abused." Most of some 796 prisoners are serving sentences for unauthorized absences.
