

## Campaign Is Launched For Dobbs School Chapel Fund

KINSTON - A fund raising campaign to build a chapel on the campus of Dobbs School for Girls was launched here last Sunday.

The \$200,000 drive is being led by Mrs. Robert B. Morgan, who will serve as Honorary Chairman. Mrs. F. T. Newsome and Dr. Rachel D. Davis will coordinate the campaign as co-chairman. Mrs. Newsome is president of the North Carolina Federation of Negro Women's Clubs (NCFNWC) and Dr. Davis is a former State Senator from Lenoir County and a long-time supporter of the school.

In her speech citing the need for a chapel, Mrs. Morgan said "You can worship God anywhere! But who wants to worship everyday in the year in the open air Chapel which is the only one there is at Dobbs School? The gymnasium provides a place to meet but leaves much to be desired in the areas of religious atmosphere and spiritual association."

According to Dr. Davis and Mrs. Newsome, the campaign has been divided in six areas. These areas and their goals include Business and Industry (\$100,000), Foundations and Special Gifts (\$20,000), Education (\$20,000), Churches (\$20,000), Civic and Fraternal and Patriotic (\$20,000), and House to House (\$20,000).

A blue-ribbon list has been nominated to chair the divisions. Former Governor Terry Sanford and John H. Wheeler, President, Mechanics & Farmers Bank; will co-chair the Industry and Business section, Mrs. Mary D. Semans along with Mr. Wheeler will chair the Foundation and Special Gifts group. Dr. Lee Jenkins, President, East Carolina University; heads the Education division, Dr. O. L. Sherrill heads the religious group and Former Governor Luther Hodges and Republican Leader John L.

Stickey head the Civic and Fraternal-Patriotic section, in addition to the chairman of the various divisions, a Steering Committee will direct the day-to-day activities of the campaign. Members of the committee are W. R. Collins, Durham; Miss M. D. Holmes, Kinston; Mrs. Helen Jones, Durham; Senator Charles H. Larkins, Kinston; Dr. John R. Larkins, Raleigh; Mrs. Nora Lockhart, Raleigh; Juvenile Correction Commissioner Blaine M. Madison, Raleigh; J. W. McGinnis, Hickory; Mrs. Theodore Samet, Kinston; and Representative James E. ## ARC Urges Public To Write Hanoi About US Prisoners

WASHINGTON, D. C.-The American Red Cross has urged a massive expression of indignation over the treatment of U. S. prisoners held by the North Vietnamese. It called on the American people to write direct to the president of the Democratic Republic of North Vietnam to express concern about Hanoi's failure to give captured U. S. military personnel the benefits of the Geneva Conventions.

According to latest Department of Defense figures, 413 Americans are known to be prisoners of war and 918 others are missing and believed captured.

Pointing out that the North Vietnamese are signatory to the Geneva Conventions, Red Cross national headquarters here said such a public outcry might do much to ensure that American prisoners will receive the humane treatment called for in the Conventions. It urged that appeals be addressed to: Office of the President, Democratic Republic of North Vietnam, Hanoi, North Vietnam.

An airmail letter weighing less than one-half ounce takes 25 cents in postage, the Red Cross said.

Meanwhile, the American Red Cross is continuing to urge Red Cross societies in all parts of the world to intercede in be-

half of the U. S. prisoners with the Red Cross Society of North Vietnam and to ask that their respective governments take similar action with the North Vietnamese government.

In an American Red Cross-sponsored resolution passed without a dissenting vote by 77 governments and 91 national Red Cross societies, the International Conference of the Red Cross in Istanbul last month urged that all prisoners-of-war be given the benefits and protection of the Geneva Conventions.

The Geneva Conventions call for all prisoners to be promptly identified; afforded an adequate diet and medical care; permitted to communicate with other prisoners and the "exterior"; promptly repatriated if seriously sick or wounded; and at all times be protected from abuse or reprisals. The Conventions also state that a neutral intermediary, such as the all-Swiss International Committee of the Red Cross, be given free access to prisoners and their places of detention.

## Widows Of Veterans Receive Promise Of Pensions

Veteran's widows were reminded last week that if they have a limited income they may be eligible for Veterans Administration pensions.

Under current law, according to W. R. Phillips, Manager of the Winston-Salem VA Regional Office, qualified widows of wartime veterans who have died of causes not related to their service are eligible if their income is no more than \$2,000 if they have no children, and no more than \$3,200 if they do.

for a pension because of a higher income or because she remarries, her children may still be eligible to receive pensions.

Pensions are based on need, Phillips explained. Compensation is paid to the survivors of veterans who die of service-connected causes, and the income of the survivors has no bearing on eligibility or the amount paid.

Persons seeking further information were urged to contact their nearest VA office, Phillips said.
