What's keeping you from looking good? Wrong hair color?

Beauty experts will tell you—the perfect hair color for you may be just a shade away from your natural shade. It depends on your complexion, your eyes and the way you use make-up.

Hairdressers know that dark or thick or coarse hair is resistant to drastic color change. But even a very slightly lighter shade adds excitement to a woman's appearance. And the professional hairdressers also know there's no more natural way to change hair color than Miss Clairol's haircoloring.

Miss Clairol lightens and adds color at the same time (and also covers gray). This means the resulting color is a combination of your own hair and the color you choose. Generally, dark exotic browns and blacks are most flattering on darker skin tones. And golden or red shades are more beautiful on lighter tan complexions.

If you're thinking of changing your hair color, go to the experts. Professionally trained hairdressers have the whole family of fine Clairol products and the know-how to make your experience with haircoloring an exciting adventure. So whether you go brown, gold, redhead or deep black, just keep on looking good!

"The Lord is in His Holy Temple, let all the earth keep silent before Him."

Take time to think on these words: "Surely sunlight and starlight shall favor me on the voyage I take in life's journey and I will rest in the port of my God."

MRS. BETHEA

We send our love, thoughts and sympathy to Mrs. Charlotte Green and all members of the family as they say farewell to their loved one, Mr. George Green.

We hope the members and friends of the National Association of College Women are preparing to attend the National meeting, which will be held in Houston, Texas August 10-15. In a recent year report, Mrs. Lillian W. McDaniel, now sectional director, states that your writer, Mrs. Ruth Moore Bethea, so far, was founder of more NACW Branches than any other person in the NACW, former Southeast Sectional director.

City-wide organizations recently bestowed the title of Ambassador of Community Services at the Retirement Banquet for Mrs. Lillian W.

McDaniel. This was in connection with her teaching for 47 years. Singular, both the last two Southeast Sectional directors have the honor of having taught exactly the same number of years.

The city is sad as Rev. H. S. Foust, former pastor of St. Paul AME Church and family, leave Raleigh for their new home and sojourn in Baltimore, Maryland. It is wonderful to be able to say that this city has enjoyed Rev. Foust and has been benefited by his having dwelled with the people for six years. We wish for him and his family the best of luck, peace and happiness and the love of his new congregation.

Come to Church

BY MRS. MAE L. BROADIE

12 CHAVIS WAY - 832-0159

The pages of the Bible and secular history are studied with accounts of men and women whose lives changed the course of the world, for good or for evil. Living with our neighbors, whoever they may be, catech us Christ's way and His will as we live in God centered love for one another. True companionship means fellowship, because of a common source of inspiration, partnership in doing things with the same in view, sharing hopes and fears together.

Let us pray, Our father give us the will and strength to face the difficult task of futhering thy Kingdom. Help us to do all the good we can for a needy world. Thou who walked with Moses and all others who have loved and honored Thee, be thou near us. Keep us close enough to share Thy secrets and to be responsive to Thy love that we may not fail Thee, in Jesus' name, we pray, Amen.
