

Third Recent Grant To St. Paul's Ups Total To 291 Gs

LAWRENCEVILLE, Va. - Following a conference in Washington at the headquarters of the U. S. Department of Health, Education, and Welfare, President Earl Hampton McClenney announced that a second federal grant upped the recent three-grant total to \$291,100.

The latest HEW grant was \$7,100. Earlier the Mellon Foundation of New York City awarded Saint Paul's \$150,000 and the previous HEW allocation was \$134,000.

Dr. McClenney indicated that the second HEW award was approved in order to assist the cooperative educational plan-

ning program at Saint Paul's. The other two grants, together, assist in upgrading the library facility and its holdings, the development program, student services, and the employment of teachers holding the doctoral degree.

Pete's Pickin's

BY W. A. "PETE" WILDER
The United Progressive Social Club was at its "picnic best" Sunday at the Elks Home

with its annual outing. The reason for the indoor affair was the uncertain weather condition. It has been planned for the Raleigh Beach-Milburne. Ladies attired in lovely sports wear and men with slacks and sport shirts were the order of the day.

At the appointed hour, everyone was invited to pass the tables and partake of the delectables. Please don't ask me what they had. Let me sum it by saying "Everything". Each member of the club had guests of honor. At an early hour Monday some of the guests were still talking of the affair and right they were!

My own friend, Mr. Cecil Flagg, Lincoln Court, was seen with his brother "Al" in the car. It was real nice to see him!

HUDSON-BELK ANNOUNCES NEW PENSION PLAN - Karl Hudson, left, store manager of Hudson Belk Department Store in Raleigh, announced Wednesday the names of nine Hudson-Belk employees who will receive the first retirement checks issued under the newly adopted Hudson-Belk pension plan. Mr. Hudson is shown above presenting a certificate to Arthur Grissom. The following nine employees represent a total of 235 years in service at Hudson Belk: R. E. Jones, 44 years, Men's Department; Mrs. Mozelle C. Ows, 36 years, Men's Department; Macon T. Farrell, 31 years, Assistant Credit Manager; Mrs. Ella C. Clement, 29 years; Cecil R. Conyer, 28 years, Display; Mrs. Pearle Crawford, 22 years, Millinery; Arthur Grissom, 22 years, Shoe Department; Mrs. Ruth C. Weathers, 12 years, Alterations; and Mrs. Fannie N. Smith, 11 years, Piece Goods. Hudson said that approximately 500 retiring employees will receive monthly pension checks in 1970. He added that the pension plan includes those eligible employees who have officially retired since January 1, 1969. "Belk stores were among the first retailing to have a profit sharing program," he said. "Now we are pleased to have a pension plan to supplement the profit sharing and Social Security payments retirees receive. We think the addition of the pension plan to our total retirement program is a significant step and indicative of Belk organization's position of leadership."

Raleigh District Missionary Mass Meeting Held In Grace Chapel AME Zion Church

Rev. L. P. Perry and the members of Grace Chapel AME Zion Church Raleigh, were hosts to the Raleigh District Missionary Mass Meeting, which was designated as Youth Day. The Junior Choir of Grace Chapel rendered the music for this occasion with Mr. Vandergift as accompanist.

The missionary message was delivered by Mrs. Barbara S. Pannell. The title of her message was "God's Three Calls To Youth" which are Salvation, Dedication and evangelization. Examples were given how young people were assets to their elders and profited in some way themselves. Also Bible instances were cited on how young people today can be as-

serts. To show the importance of the three calls to youth statistics were stated.

Thus the youth were asked to respond to the three calls: salvation-set some goals in order to respond day by day; applied faith, go that extra mile, accurate thinking, self discipline, master-mind, personal initia-

tive, enthusiasm, controlled attention, team-work, learning from defeat and serving our fellowman. Dedication - God wants you to dedicate your life to him-all that you have-your time; treasure; All that you are-your mind, the intellectual your body, the physical; Your heart the emotional; Your will, the volitional and all you hope to be, your plans. Help make

the home a training center along with the church and community for dedication, Evangelization; which has a four-fold call-from above, from below, from without and within. This is the call for a closer walk with the inner circle. Mrs. E. H. Beebe called for the reports from the local churches. The receipts were \$197.57.

Enrollment 1,600 At NC Summer School

DURHAM - North Carolina Central University's summer school enrollment in courses offered for credit was 1,660, according to Dr. Charles W. Orr, director of the summer school, and Brooklyn T. McMillon, university registrar.

The figure includes registration in nine-week and six-week summer school sessions and in three-week and two-week institutes and workshops offered for college credit. One workshop has not opened yet, Dr. Orr said, and the final registration figure will be increased slightly after July 20. The enrollment includes, 1,168 enrolled for undergraduate credit, 454 enrolled for graduate credit, and 38 enrolled in the school of library science. Enrollment in the nine week

regular session of summer school was 1,484. Enrolled in the six-week session, designed primarily for public school teachers, were 141 students. Eighteen students enrolled in three-week workshops, and 17 in a two-week workshop in the department of home economics.

CORRECTION!

In last week's CAROLINIAN, it was stated that Mrs. Mae Broadie was secretary of the Booker T. Washington Club of which E. Clarence Davidson is president. This was not correct. Mrs. M. Black Dover is secretary and Mrs. Broadie is recording secretary. Mrs. Ella Cheatham is vice president of the club.

For Pennies,

you get a lot of value from your electric service. With a penny's worth of electricity, you can shave every day for a year. Or toast 40 slices of bread. Or listen to a radio an hour a day for a week. Your electric service bill isn't just pennies — but then think of all the lights you use, toast you make and TV you watch (not to mention clothes you wash, rugs you vacuum and teeth you brush.) You pay more mainly because you use more. Electricity. Perhaps the last real bargain left in America.
