

Half Changes Give JCSU 35-13 Romp Over Shaw Bears

Unbeaten Charlotte Squad Hands Bears First Defeat

CHARLOTTE-Shaw University came to play football and for the first half of CIAA clash they gave the Golden Bulls of Johnson C. Smith University a fit.

Football contests have two halves, fortunately, and the Bulls changed their moody ways the second half to take previously unbeaten Shaw 35-13 in Memorial Stadium.

The Herd's offense was erratic all during the first thirty minutes of play. The Bears used the clock by rushing all over the field. The breaks went the Bulls' way and they capitalized on them.

Shaw coaches, however, felt that there were many reasons, other than mistakes, for the loss. Head Coach George Clements, said after the game that in his opinion there were a lot of bad calls by the officials which heated tempers (including his). "When tempers go up," said Clements "a team stops thinking."

Tempers flared to the extent that five Shaw players were ejected from the game, and officials stopped the game with approximately 2 minutes left. Clements said of the officiating, "I understand that we are all human, and as human beings we make mistakes, but in my estimation the officials missed to many calls out there Saturday night." He said there were face mask penalties, clipping, roughing the kicker and passer calls, as well as others the officials either didn't see or didn't want to see. He said when we protested we got penalized for unsportsman like conduct. "I'm not pleased at all with the way the game was officiated."

"We made mistakes out there, but they were helped along with the lack of these calls," he said.

On a bad snap from center, Shaw punter Bobby Jackson was tackled in his end zone by end Willie Martin for the safety. Robert Logan intercepted a Shaw pass and raced to the Bears' four. Smith halfback James Mather dove on the next play, the kick was no good and Smith went on top to stay 8-0 with three minutes to play in the first quarter.

Shaw came marching back on the legs of senior halfback Roderick Wynecoff. On a third and nine, Wynecoff blasted into the endzone to score the Bears' first TD. Jackson's placement was good.

The half ended with Smith up on the scoreboard, 8-7, but down statistically by a huge margin. The Bears' defense limited the Smith machine to 1 first down and three yards total offense, while the Raleigh offense amassed 130 yards total offense and ten first down.

Following Shaw's second half kickoff, the Bulls changed their ways. Senior quarterback Elroy Duncan went to the air immediately. Duncan hit split end Stanley White for twenty yards to the seven, from there halfback Tim Beamer went off tackle for the score. The placement failed at 13:20 of the third quarter, and the score was 14-7.

Elroy found a weakness and went back to work. Following a 55 yard aerial to Beamer, "The Magician" found his big tight end Freddie Harris for a ten yard scoring strike. Larry Brown's kick was good and the Herd was on a rampage leading 21-7 at 10:05 of the third quarter.

Shaw threatened, then scored early in the fourth. The Bulls held the Bears on a fourth and inches from the goal line at the end of the third quarter, only to be scored on the next time Shaw gained possession.

A roughing the passer penalty placed the pigskin on the Smith 18 and one play was all Shaw needed from that point. Quarterback Leroy Jones dumped a screen pass to Wynecoff and the senior rusher became an elusive butterfly as he scampered unmolested into Smith's endzone. The kick went awry, and Shaw had done all of their scoring.

As the clock played havoc with Shaw's dreams of an upset, Duncan rushed for a score, and then hit White for a 25 yard strike into paydirt to cap the Bulls' scoring for the evening. Larry Brown added the two extra points, and the Bulls were in the clear 35-13.

The victory gives the Herd a 5-1 overall record, 5-0 in CIAA competition, and 4-0 against CIAA Southern Division opponents.

The loss, Shaw's first of the season, leaves the Bears 3-1-1 and 2-1-1 against Southern Division squads.

Fike Shuts Out Hillside By 35 To 0

BY EARL MASON

WILSON-Fike High's Titans warmed up for their two big conference games within the next two weeks by shutting out the visiting Hillside Hornets from Durham, 35-0 last Friday night here at Fike High Stadium.

The Titans made the overflowing homecoming crowd proud of their team as they took a 28-0 lead to the dressing room at intermission and added another touchdown in the third quarter.

Fike will meet Goldsboro and Rocky Mount respectively for the next two Fridays in pursuit of the Division two Eastern 4-A title. Goldsboro and Fike are undefeated in conference play and Rocky Mount has a 2-1 record. One of these three Rams will advance to the state playoffs and the next two weeks for Fike, will be very important.

In increasing their record to 2-1 for the year, the Titans combined a strong running game with their passing and punt returns game to hand Hillside its eighth straight defeat of the year.

Jimmy Knight brought the crowd to its feet in the first quarter when he gathered in a punt and galloped 67 yards to paydirt after Hillside was unable to move with the game's opening kickoff. Bill Schreive booted the PAT from placement to give the homesters a 7-0 lead with the game only two minutes old.

Fike added another first quarter score following a recovered fumble by Jimmy Elliott at the Hillside 18. Three plays later, Dennis Wilkerson passed ten yards to Greg Fulghum for the six pointer to give the Titans a 14-0 lead with 3:39 left in the initial period.

Coach Gary Whitman's charges put together two second period scores to put the game out of reach. Allen Bass capped a seven play, 56 yard drive by going the last 16 yards on a fullback start up the middle in the early moments of the second quarter. A fumble recovered by Bandy Holman at the Hillside 31 led to the Titans final first half score. This time, Wilkerson rambled the last 25 yards for the score.

The Hornets of Hillside made their deepest penetration of the game in the second quarter following a 58-yard pass reception from Tyrone Rowland to end Willie Bell. Hillside moved down to the Fike five but Fike defense stiffened at his point to hold the drive.

Fike added an insurance touchdown in the third stanza by taking the opening kickoff and moving 72 yards in nine plays. Wilkerson passed 26 yards to Billy Ferris for the touchdown.

BROUGHT DOWN AFTER HANDOFF-Washington: Washington's Larry Brown (43) is brought down by Cincinnati's Ken Avery (51) after taking a handoff from Sonny Jurgensen (9) in the second quarter Oct. 25. Brown lost six yards on the play but went on to gain over 100 yards in the game for the fourth time this season. The Redskins won, 20-0. (UPI).

Lou Gossett's Energy Gets Belated Reward

HOLLYWOOD, Calif. - Lou Gossett wanted to be a basketball player. More than anything else in the world, he wanted to be a basketball player. So Lou, who stars in the role of Isak on Screen Gems' new ABC-TV action-adventure series, "The Young Rebels" (Sundays, 7-8 p.m. EDT-EST), decided to do something about it.

"When I got to high school, I knew I was too skinny to be a good rebounder on the basketball team," Lou recalls, (he was 6'2" and weighed only 139 lbs. at the time). "I got a job that required lifting a lot of boxes. So I could build up my muscles."

That decision eventually resulted in a new goal, when he injured himself doing the work and had to sit out the entire basketball season. A school instructor urged the disappointed and restless Lou to take a role in an upcoming student theatre production. He enjoyed that experience, and it prompted him to attend an open audition for a part in the Broadway play, "Take A Giant Step." He won the role over 3,600 other applicants, and appeared in the show for seven months. Lou's tremendous energies began to change direction, and he worked very hard at his new-found love for the theatre. Since then, he's appeared in over a dozen major Broadway shows, and nearly as many off-Broadway. "Acting is a tremendous creative experience," he states.

ers. The Aggies' lanky junior tight end has been doing an outstanding job of making life miserable for opponents who happen to play in the defensive secondary.

With four games remaining on the schedule, Wright has already snagged 27 passes, just four fewer than he caught during the entire season last year. He needs just 13 receptions to give him a total of 100 catches over the three-year period.

"I would like to end up with at least 50 receptions this season," said Wright. "That is the personal goal that I have set for myself."

At 6-4 and 210, he is an imposing figure on the football field.

The two ham-like hands he possesses are also an asset. "I always try to take advantage of the short defender," said Wright. "I tell the quarterback to throw the ball high, then I leap for it. That way, if I can't get it, usually he can't get it either."

A native of Greenwood, S.C., Wright has been a starter for A&T since his freshman year.

As a freshman, Wright was sometimes tense and unsure of himself. He also seemed to lack the speed necessary to get the job done. Then coach Hornsby Howell recommended that his young receiver go out for the track team. That proved to be a good move.

Wright became a prime target for the long bomb and his moves after catching passes were also improved. Last season he was probably the most feared receiver in the conference.
