THANK GOD FOR LITTLE THINGS

Thank you God for little things that often come our way. The things we take for granted but don't mention when we pray.

The unexpected courtesy, the thoughtful kindly deed, the hand reached out to help us in the time of sudden need.

Oh, make us more aware Dear God of little daily graces that come to us with sweet surprise from never dreamed of places.

Last Friday at the Senior Citizens Center on E. Cabarrus Street the Sewing Circle was held, under the leadership of seamstress, Mrs. Jones. After a meditation period, each person present was given a few minutes to express themselves.

Mrs. Carrie Jackson brought very helpful suggestions on "Training Pets," such as her house cat and she spoke on many other entertaining topics as quilts, dresses, aprons and a variety of sewing was experienced by the group.

Those present were center director, Mrs. S. G. Byrd, Mrs. Vivian McIntyre, Mrs. Harriett Jones, Mr. J. James, Mrs. Katie Lewis, Mrs. Susie Morgan, Mrs. Amanda Miles, Mrs. Mary Jones, Mrs. Sarah Chavis, Mrs. Marie Moore, Mrs. Daisy Roberson, Mrs. Carrie Jackson and Mrs. Flora Canady.

Everyone enjoyed the day. Come out on Fridays and enjoy yourself along with the Senior Citizens on Wednesdays or Mondays and Tuesdays.

On Monday, March 8 at 2 p. m. the Senior Citizens were honored guests at the Richard B. Harrison Library, where Mrs. Olivia McCullers was leader for the day and the Rev. Clyde Beatty, priest, St. Augustine's College, was guest speaker. Father Beatty was very good. He opened his discussion with a very touching prayer. He used for his theme, "There Is Hope." He told the listeners if they did not remember anything else please remember this: we should not be worried over what ever happens, just remember there is hope. You may be lonely, but don't fold your arms, just trust in God, for we are living in a day when Christianity must make itself felt. We must hear the voice of God and follow where it directs. Wait on prayer. People may look at you, but keep on praying. He told the Senior Citizens not to be afraid. We adore you. We are standing on your shoulders and may all your days be blessed. My mother was along with you. She prayed, and we all must pray for God can make a way out of no way. Let us face life like it is. Love your neighbor, love your family, your children. Let them live, love work, love play, love all that life can give and when they grow too weary to feel joy leave life with laughter, to some other girl or boy. For nothing is sweeter than love. Work, for your work is not done until you enter the gates of Heaven.

Rev. Beatty told the people to continue to work not only with the Senior Citizens, but with the young people too. Let them know you love them and practice what you preach. Don't forget, there is hope. Everyone enjoyed Rev. Beatty. Several of the Senior Citizens witnessed in words, how much they enjoyed the speaker, Mrs. Byrd thanked the speaker for

such a rich address and she also introduced the pastor of St. Paul A.M.E. Church, who brought brief remarks.

Rev. Beatty also thanked Mrs. Mollie Lee and her staff for their untruing work. A fellowship hour followed the program.

More than 2,000 patients with psoriasis interviewed by a group of dermatologists said that they noticed a reappearance of this condition at times of worry and stress.

A study of treatments that would interfere little with normal activities found that a refined extract of coal tar combined with salicylic acid in Alphosyl Cream gave good results, and was considered "cosmetically acceptable" as well.

Many friends, remember Dr. G. W. Cardwell, who was a friend and physician of many, and friend of his Alma Mater, Shaw University, during the days of Shaw's Medical School. When he passed, his will contained. It is said, a remembrance for Shaw. He and his wife left two daughters, and only one daughter lives now, Mrs. Mollie Cardwell Spellman, who at this writing, is ill.

This columnist asks the many friends and organizations with which Mrs. Spellman is connected to remember her in your prayers. Asking almighty God, if it is his will, to restore her to health again.

Come to Church

BY MRS. MAE L. BROADIE

12 CHAVIS WAY - 832-0159

ters of John. Mrs. Mary B. Austin prayed a very sweet consecration prayer. Rev. Perry's text was entitled, "The Spirit Of Expectancy." This was beautifully presented. It was a dynamic message of hope, guidance and spiritual thoughtfulness.

Some of the most pertinent statements were these: When you want God to bless you, expect a blessing; If you go through life expecting nothing good to happen to you, nothing good will happen; When you get on your knees to pray to God, you must expect Him to answer your needs; Expect God to come in your home, church and on your job; Great people who succeeded in life expected wonderful things to come into their lives and people who expect great things create great things.

The senior choir was in charge of the music under the direction of Mr. William Vandergriff, which warmed the hearts of the congregation. Rev. Perry would like to re-emphasize his appreciation to everyone for their continued thoughtfulness during his illness. We would like for each one to continue to pray a special prayer for a full recovery by Rev. Perry.

Remember everyone is always welcome to come and worship with us.

The thought for the week is this: "When God's work comes to a standstill, you can be sure the obstacles in the way can be removed by human hands." Miss Willa L. Jackson is Church reporter.
