

Your Weekly Horoscope

August 7 through August 13, 1971

ARIES (March 21-April 19): Before third day, Ari, you will assume your natural role of gaddy in an important decision. Thanks to you, your daily associates are seldom bored. Later, old chum enters picture and together you take off. Leo and Ari. Wow. Like varoo-o-o-o-om!

TAURUS (April 20-May 20): Your search for truth has led you down many a blind alley, Taurus love. Week ahead holds promise of a smattering of truth. But keep your peepers open or you'll miss it. Time running out as far as impossible situation concerned. End it.

GEMINI (May 21-June 20): Keep hopes high in week ahead, dear Gem, for you never know what lies beyond the next seemingly insurmountable heap of trash. Do your duty during first part of week and by fifth day secret fantasy becomes reality. Are you prepared to hack it, Gem?

CANCER (June 21-July 22): New phase shaping up, Moonbaby. Old pretensions go out the window as new purpose comes in the door. Celebrate. Strong memories bring delight. That which you feared turns out to be unreal. It is simply a recording, a recording, a recording. Click it off, honey.

LEO (July 23-August 22): Time ideal to relax and let daily annoyances go to blazes. Find yourself a hammock in a shady nook, keep a cool drink within reaching distance and just snooze. Or read. Or daydream. Tell one who nags you to go shinny up a waxed rope. Sweet dreams, baby.

VIRGO (August 23-September 22): After routine beginning, week takes on aspects of a Marx Brothers movie. Don't give up, love. And don't have yourself committed. You, Virg, will be the only one aboard who has a grasp of reality. You steer ship into safe waters.

LIBRA (September 23-October 22): Don't sit too tall in the saddle in week ahead, Lib honey. Relax a mite. You are keeping up with the program, so why the mad, mad rush? Journey on which you have begun will have many a detour. And off there in the future you will encounter much resistance. But, you SHALL overcome.

SCORPIO (October 23-November 21): Old grievances heal in week ahead, Scorp. So keep on keepin' on. Special, hidden message to Olga's Scorps in words to her Moonbabies. Read not once. Not twice. But thrice.

SAGITTARIUS (November 22-December 21): Key to success in week ahead, Sai, is to behave in circumspect manner. Thus you outmaneuver adversary. Tendency will be to blather with Leo individual. Don't. Always tell the truth, Sai, but for the love of heaven, DON'T ALWAYS BE TELLING IT.

CAPRICORN (December 22-January 19): Situation will arise which will cause you some anguish, Cap. If you cannot sit quietly by and do nothing, then do what you feel must be done. Time not ripe for playing games. Action is called for. From action springs hope. From hope, love. From love, laughter. Last day ideal for pas de deux.

AQUARIUS (January 20-February 18): One who is profound but not pretentious enters scene. Listen. You have much to gain. Energy zooms as week progresses. Don't let pesky details slow you down. Week ends on note of creative joy.

PISCES (February 19-March 20): The many clocks which make you tick may seem to be out of calibration in week ahead, Pisces. But as week draws to close, you'll pull yourself together and be revved up and raring to go. Message clears.

**WAKE FOREST
RALEIGH RECREATIONAL
ACTIVITIES ON THE GO**

EARL MASON

Staff members and administrative officers for the Raleigh Parks and Recreation Department are making plans for closing activities for the playgrounds. Playgrounds in the city will conclude activities August 14.

But with the ending of the summer program, the department has already started on plans for the fall program. Registration for the midget football candidates in the North Hills area was held last Saturday at Brooks in an effort to see if it was necessary to expand the midget grid program to the North Hills area.

The exact closing of the playgrounds is a week away. The children are thinking of the final day in the back of their minds but before that date arrives, the children are reaching out to enjoy the last activities.

District talent shows were held at four locations last Thursday. The three top acts for each district were supposed to have been chosen to battle for the city-wide honors Friday.

Two of the district sites had three winners while the other two produced only two winners. Districts one and three had three winners while districts two and four produced two winners.

In district one, Roberts Park won first place with a dancing and singing act. Participating in this act were Delwyn Massemburg, Barbara Fawn, Sherlita Myatt, Gwen Thompson and Andra Edese Hill.

Second place in the district one went to Pullen Park with a song and dance act. Three Harrises, Stanley, Gary and Allen, made up this act. Clarence Poe School won third place in this district with the "Flip Wilson Show." Johnny Blanks, Rica Cobbs, Robert Gwyn and Lewis Handy were the actors in the Flip Wilson production.

Oakwook Park captured first place in district two with its version of a puppet show entitled "Mysterious March." The cast included Pam Walters, Beverly Fisher, Cathy Fisher and Julia Poole.

Second place in district two went to Lions Park. The winners produced a puppet show

called "See Wee Bloctopus," Linda McMillan, Larnett Lindsay, Annetta Lindsay, Pam Locklear and Cathy McCloud were participants in the puppet show.

A combo, representing East Seabrook, walked away with first place in district three. Jaycee Park won second place with a summer pest act while Myrtle Underwood won third place with a singing act.

Method Park won first place in district four with a 3-F Day production. Members of the cast were Lynbert Evans, John Johnston, Dwain Goode, Dwight Charles, Bruce McDonald, Sherrell Vandergraft, Deborah Evans and Wanda Singletary. Frances Lacy won second place in district four with a production of "Little Red Riding Hood."

Because of inclement weather last week, the little league baseball tournament will be held this week. Also, softball tournaments for slow pitch, fast pitch and church industrial will be held this week.

District softball tournaments on the playgrounds will be held this week. The finals will be held next Monday and Tuesday at Lions Park. The tournament

**WSSU Gets
\$732,991 In
HEW Grants**

WINSTON-SALEM - Winston Salem State University has received four federal grants totaling \$732,991 from the Department of Health, Education and Welfare.

The Office of Education awarded a College Work Study grant for \$276,242, a National Defense Student Loan grant for \$188,928, a Title III grant for \$144,500 and an Economic Opportunity grant for \$123,321.

With the Upward Bound grant for \$103,397, awarded earlier during the year the Department of Health, Education and Welfare has awarded a total of \$836,288 in federal grants to Winston-Salem State.

"FOUR SWING" AND "A MISS" - Hazel Sanders hits a "hard grounder" that this Roberts Park miss fails to make a play on. The action took place at Biltmore Playground's Fuller Field, as the District Softball Playground championships got underway. (Photos by Paul R. Jervay, Jr.)

**County Vote Drive Set For
Blacks And 18-Year-Olds**

The Wake County Democratic Party and the Young Democratic Club of Wake County are jointly planning a massive voter registration drive particularly aimed at newly enfranchised voters 18 years of age and older and blacks who are grossly under registered in Wake County.

in the spring of 1972. Other methods are being planned to reach non-students and students who are attending schools outside Wake County.

All persons interested in aiding in this registration drive are asked to call the Wake County YDC at 828-1262.

Wake Forest

WAKE FOREST - The family of Mrs. Ella Hodge will have their reunion on August 8. A birthday party will be held on the same day for Mrs. Minnie Purvis.

All friends and relatives of the family are invited to attend and bring their luncheons.

It will be held at the home of Mrs. Bertha Lewis on Allen Road in Wake Forest.

IN FOR A "PIT STOP?" - Well, not exactly. Toney Sanders (left) is examining Jeffrey Newkirk's tread on his "hot wheels." The boys explored the bike's mechanics at Biltmore Hills Playground. (Photo by Paul R. Jervay, Jr.)
