

## Saint Augustine's Soccer Team Begins Drills For 1971 Season

The members of the Saint Augustine's College Falcon soccer team, led by Captain Mohamed Shyllon, reported for their first practice session last Saturday. Coach Earle Curry says that he is pleased with the overall team prospects. Some of the veterans and transfer soccer players reported out of shape, but the coaching staff feels confident that they will be ready for the season.

There are prospects for each position and with several positions four and five men deep. Coach Curry reports that this is the best group of soccer players to enroll at one time since the Falcons started soccer. Gone from last year's team are Sam Asare and E. Asare, all district forwards, but stepping into their boots will be Horace Parkinson, Alex Owosi, Amalio Wise, Ben Sackey, Ligu Tashome.

The coaching staff will be expecting great things from a prospective transfer student who has had a lot of all-star experience. Arthur Gilpin from Sierra Leone is expected to bolster the frontline. The Falcon's great Otto Floyd has left to go into the coaching ranks with Roderick Jones and Edward Blell stepping in to make the backline strong along with the front line. Gone from last year's all around play is Chester Newcome, but steady Pat Blell is still around, and in good shape. Three brothers are on this year's team. They are Edward Patrick, and Denys Blell from Sierra Leone.

**SPEEDSTER SEEKS BERTH**- Halfback J. J. Davis, a 9.6 speedster and ex-Marine, is seeking a starting berth at North Carolina A&T. Davis is a native of Danville, Ill. The Aggies open at S. C. State on Sept. 18.

## Alcorn Collects Its Share Of The Trophies

**LORMAN, Miss.** - Being joining the Southwestern Athletic Conference, Alcorn A&M College was a member of the South Central Athletic Conference. The SCAC first title award was made in 1930. No awards were declared in 1931, 43, 44, and 45. Alcorn won 15 SCAC championships and as a member of the SWAC since 1962 the Braves have conquered three championships and were honored as Mythical National Champions in 1968 and 1969.

Under the leadership of Coach Marino H. Casen, the '71 Alcorn Braves will be seeking their fourth consecutive SWAC championship. The Braves' record for the past three years is 25-2-1. There were 13 Pro-Draftees from these three championship teams. They were Lawrence Estes (DE), Bob Brown (TE), Willie Banks (OG), LeRoy Byars (B), Richard Sowell (DB), Cleophus Johnson (DHB), Floyd Rice (LB), Willie Alexander (DB), Lawrence Watkins (B), Dave Washington (LB), David Hadley (DHB), Joe Owens-

To bolster the Falcon's goalie position, the coaching staff was fortunate in recruiting Valentine Gibson of Sierra Leone. He will be expected to bolster two stellar performers, Patrick Blell, and junior Frank Colbrook of Nassau, Bahamas. Robert Laryear, Mr. Soccer himself, will still be around to guide the Falcons. This coach on the field is one of the best prospects to come to Saint Augustine's College, according to Coach Curry.

## Catawba Uses Offense To Blank Livingstone Bears

**SALISBURY** - The explosive offense of the Catawba College Indians of the Carolinas Conference proved too much for the Livingstone College Blue Bears of the CIAA here Saturday night as the home standing Indians downed the Bears 37-0 in the season's opener for both teams.

The Bears muffed several scoring opportunities. One came in the second period when kicking specialist Joe Henderson of Salisbury missed a field goal from 32 yards out. Sophomore running back James Lewis of Wilson almost broke through for a score in the third period when he returned an Indian kickoff 75 yards to the Catawba 20. The drive stalled on the 15.

The big gun in the Catawba running game was Gregg Singleton of Camden, N. J. who romped for 117 yards in 23 carries.

The Bears will try to bounce back this Saturday (Sept. 18) at 1:30 p.m. when they meet the Knoxville College Bulldogs in Alumni Memorial Stadium for Livingstone's home opener.

**GETS FIRST DOWN**- Little Rock, Ark.: Jon Richardson (24) Arkansas tailback darts by Mark Wendt (75) and Sherman White (75) of California for an Arkansas first down. Richardson was the Arkansas workhorse as the Razorbacks moved to an opening victory over California. (UPI).

## Quiett Has Praise For NCCU Kicking

**DURHAM** - Coach George Quiett had something to say about the team's kicking specialists after practice sessions last week. Punter George Williams "has been kicking extremely well," Quiett said. After several sessions of PAT and field goal shots, he announced that "Jason Caldwell and Charles Bellingier are not looking too badly." There may have been reason in his reservation about the accuracy specialists. Caldwell is the team's top receiver and Bellingier the star pass defender. Quiett would probably like to find another specialist like Williams for the field goals. The coach said that the end of a two-a-day sessions Wednesday should mean an improvement in team morale. "They seem rather flat now," he said. Two running backs are returning to the squad, Raleigh Mike Carter had been released by his doctor for light practice. He had a catclaw operation earlier this summer. High Point's Ken Lagan returns Monday. An ankle injury had sidelined him.

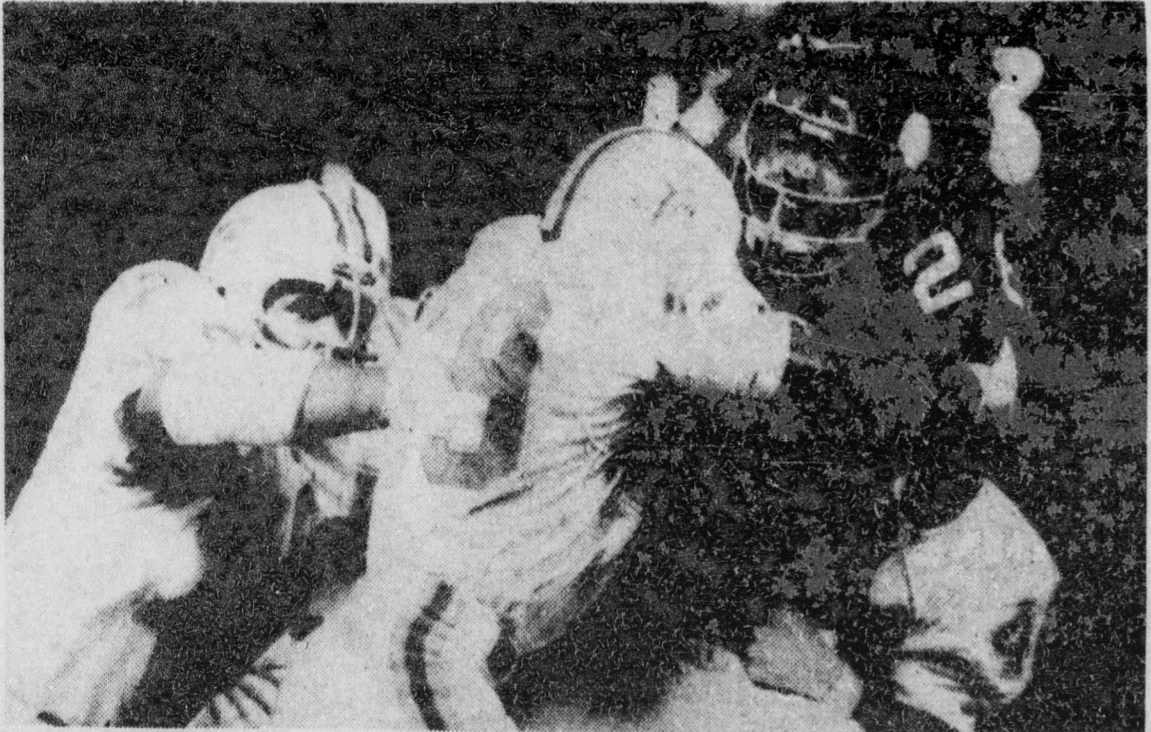

Among the 12 or 13 players still sidelined by injuries are defensive back Larry Mangum of Durham, who underwent a knee operation recently, and Siler City's Joe Parlin, who has his leg in a cast as a result of a strain.

**VIDA HAS BAD DAY** - Oakland, Calif.: Oakland A's pitcher Vida Blue had a bad day September 12 against the Minnesota Twins. He was almost eviscerated by Tony Oliva's bat in first inning. He's about to toss it back to Oliva. Then in 8th he was lifted for pinch-hitter and failed to get his 24th victory. (UPI)

Livingstone had trouble mounting an offense as freshman quarterback Roy Henry of Miami, Fla. was spilled for huge losses time after time by the hard-charging Indian forward

**"SATCH" RECEIVES CONGRATULATIONS**-When Satchel Paige, one of the all-time great baseball players, was inducted into the Baseball Hall of Fame in Cooperstown, N. Y., recently, a number of old-time black baseball players were on hand to congratulate him. In this picture, the ageless wonder of baseball is being congratulated by Ted Page (left) of Pittsburgh, Pa., a former teammate of Satchel's and present part-time consultant for Gulf Oil Corporation, and Walter A. Jackson (right) of Durham, Gulf's Supervisor of Minority and Academic Relations. Other former greats who attended a Gulf-sponsored reception in honor of Paige included Roy Campanella, William "Judy" Johnson and Monte Irvin, now on the staff of Baseball Commissioner Bowie Kuhn.

**CLINT JONES HIT HARD**- Bloomington, Minn.: Vikings' Clint Jones (26, right) is hit hard by a pair of Dolphins, John Richardson (74, left) and Dick Daniels (49), during 1st quarter action in the Minnesota-Miami exhibition game September 11. (UPI).

Why does high humidity during the summer months make us uncomfortable?  
The relative humidity (percentage of moisture in the air) has a noticeable effect on us because the body perspires constantly, the amount varying on activity and other factors.  
On days when a high pressure system is above us, with its usual dry, cool air, we feel good.
