HENDERSON - Sunday was a great day for the people at Mt. Morian AME Zion Church. The services were very well attended and all who were present witnessed an interesting and glorious message from the pastor, Rev. M.F. Booker. The junior choir members were in their places and rendered an excellent service in song. The trustee board, the steward board and all others officers were in their places with open hearts, open minds and open desire, which made them ready for the message, which came from the pastor.
Rev. Booker selected his text

from the 5th chapter of St. Matthew verse 14: "Ye are the Light of the World," The people he said, "Are the lamps for the light." "Christ is the source of light and is known through us. The lamps must be filled or we may not be connected to the source that gives us light. Flickering light may cause danger or harm, therefore; every Christian must be solid and immovable. With our lamps filled with the oil of Salvation and the Holy Spirit, we can shine without flickering and the world can see us as the children of the Most High," Rev. Booker is a dynamic minister and is doing a good job in the Mt. Moriah community, with all of his claims paid up and ready for his Annual Conference.

At the close of his message, a collection of finance amounted to the sum of \$766.02. No bad news in and around Henderson has been reported to this writer and therefore everyone seems to be happy and at their All public schools are now in full operation for the new school year, with no bickering and no interruption.
