"WHERE WILL I FIND YOU"  
BY EVAULTIA (EVE) MIAL  
If I walked the path of love,  
Where will I find you?  
If I listen to the song of a dove,  
Will you someday join me?  
And if I stroll down memory lane,  
Still hoping that you'll be there;  
And if our love still causes us pain,  
Will you help me share the blame?  
If I should tarry or hesitate,  
When I walk that dusty road;  
Will I see you before it's too late?  
Even if you have to break a date?  
Will I see your face in the moonlight?  
And your smile that's so wonderful to see;  
When day turns into the darkest night,  
I only need you, do you need me?  
For me there's only you,  
That can put joy back into my life;  
You taught me to love you true,  
Now I only have sorrow and strife;  
Will you ever come back, my love?  
So I can show you how much I care;  
Let's take a stroll down memory lane,  
And bring back the great love we shared.
