

Shaw Drops 28-6 Conference Decision To Union At Richmond

Bears Now Brace For Homecoming Test Against Winston-Salem Sat.

BY OSCAR SMITH

RICHMOND, Va. - The Shaw University Bears had a chance to win a dream game here Saturday afternoon against the Virginia Union Panthers but a night marish offense belonging to the Panthers posed an obstacle to all but the final chances of the Bears for the 1971 season as Virginia Union won 28-6.

Coach George Clement's eleven had every right to dream of being the dark horse in the Southern division CIAA championship race, but often times dreams do not materialize. You awaken and what was hoped to be is not the reality you thought it was.

The dreams of the Bears being the upsetter in a close down to the wire race for the right to play Virginia State on Thanksgiving Day slowly slipped away as the clock ticked away quarter after quarter of a game which would have kept the Bears alive if they had defeated the Pirates.

The loss did not become evident until late in the fourth quarter when the Pirates put together back to back touchdowns to seal the win and hand Shaw its fifth defeat of the season.

Union scored first with 4:15 left in the first quarter after William Palme fumbled a Tiger kick which was recovered by the Panther's on their 46. Two plays later Union's Larry Roberts swept around right end for the 46 yarder and Luther Palmer kicked the extra point.

Union setled their lead for the length of the ball game in the 2nd quarter after Shaw moved the ball on sensational interception of Pirate quarterback Larry Crawford's pass by Boone Wilks combined with a 22 yard run by Virgel Shamburger to the Tiger's 28. But after Shaw had to kick, and Bernie Thompson got off a poor one which only traveled to the 38. Union moved the ball to Shaw's 28. With no time left on the clock Union's Crawford threw to Palmer this time in the corner of the endzone for the score. Palmer kicked the extra point to end the half with a 14-0 lead.

Both teams played defensive ball during the third period, and it wasn't until midway the 4th frame that the Bears came alive offensively. Bear quarterback Leroy Jones moved his team to the 12 of Union and Amos Turner went straight through the center for Shaw's only score of the day. Thompson took a low snap and turned it into a two pointer by throwing to John Gaines for the conversion.

With hopes high the Bears

attempted an onside kick which did not travel the required 10 yards and the Tigers were awarded the ball on Shaw's 49. On the next play from scrimmage Roberts took a hand off from Tiger quarterback Harry Sewell and went the distance for the score. Again Palmer's kick was good with 4:59 left.

The Tiger's final score came just 20 seconds later after Shaw's Thompson threw on the first play from scrimmage and it was picked off at the Shaw 30 by Tiger Safety Oscar Jenkins who went all the way for the touchdown. Palmer's conversion was good. With only two games left for the Bears, both conference games and one a home, they suffer an overall 3-5-0 record and a 2-4-0 conference record.

The best they can do is 4-4-0 in conference competition. However with the closeness of the southern division race that could still be good enough to cause a tie for the Thanksgiving Classic. So maybe just maybe that dream could become a reality after all.

BIG CATCH- C. J. Twitty, left and J. D. Mills, right hold a 63-pound corbra they lured in last Saturday while fishing in Swansboro. Twitty and Mills were in a party of seven including K. C. Williams, L. R. Spearlock, J. Pulley, Jean Tabon and Kenneth Blackwell when the big catch was made.

Florida A&M Scores Victory Over Tuskegee

TUSKEGEE, Ala. - Florida A & M had to come from behind and fight for their lives against Tuskegee Institute last week, but they did just that and defeated the Golden Tigers 24-17.

Florida A&M drew first blood in the Saturday night SIAC contest. James Rackley scored on a four yard run with some eleven minutes to play in the first quarter. Johnnie Champion, who kept the Tigers against the wall with his towering 40 yard punts, booted the conversion. A Rodney Montgomery to William Plummer pass play set up the first score.

Midway the second quarter, Leo Allen was bumped by a Rattler defender and the pass interference call gave Tuskegee a first down on the Florida 16. Three plays later--two on the ground and one pass attempt--Kelly Stanley was putting the Tigers on the scoreboard with a 34-yard field goal.

A bad snap from center in the early stages of the third quarter helped Tuskegee get in position for the go ahead score. Working from the Florida 26, Morris Prince, Kenneth Dickerson and Hornsby Sams moved it to the 16. Grimmett picked up one to the 15 and Sams and Kelly Stanley managed to get the ball down to the six. It was a fourth down play that Hornsby Sams scored his third touchdown of the season on a six yard run. Stanley converted.

The Tigers, fired up over their surprising lead over the Rattlers, alertly grabbed a second down Florida pass following the kickoff, and linebacker Walter Phillips raced 40 yards for the touchdown.

The freshman studded Tuskegee defensive unit managed to keep the Rattlers scoreless in the third quarter, but the Florida team outmanned the Tigers in the final stanza.

GIANTS DEFEATS CHARGERS- New York: New York Giants' back Charlie Evans (31), an escapee from the taxi squad, goes over for a touchdown in second quarter action against the San Diego Chargers November 7. It was the first of three TD's scored by Evans, a 14th round draft choice from Southern California. In on the play for the Chargers are (L to R): Jim Tolbert (43), Steve Delong (82) and Joe Bauchamp (40). The Giants won, 35-17, thus snapping a four-game losing streak. (UPI).

Shaw Bear's Homecoming On The Tube

For the first time in the history of the institution, Shaw University's homecoming this weekend, November 12 and 13, will be televised. The Homecoming game between The Shaw University Bears and the Winston-Salem State Rams will be broadcast by delayed tape by WUNC-TV and its NET network through North and South Carolina.

Both game and halftime ceremonies may be seen on the educational television network in your area at 12:00 p.m. on Sunday, November 14 (Raleigh, Durham, Chapel Hill triangle area on Channel 4).

This is the 106th Founder's Day and Homecoming event for the predominately Black, Baptist affiliated, liberal arts institution of higher education located in Raleigh.

Red Cross Warns Hunters

WASHINGTON, D. C. - As thousands of Americans take to the forests and fields seeking wild game for table or trophy, the American Red Cross cautions hunters to be mindful of the danger involved.

"Hunting is a deadly serious sport and should not be taken lightly," says Robert M. Oswald, national director of Red Cross safety programs.

"Weapons used for hunting whether gun or bow and arrow, are designed for killing in a most expeditious manner. These weapons should be respected for their dangerous potential and used only in compliance with accepted safety procedures," Mr. Oswald explained.

FUMBLES, BUT RECOVERS- Miami, Fla.: N. C. State's Charley Young, of Raleigh, fumbles, but drops on the ball as Miami defender Dick Trower tries to beat him to it. Recovery was made on the line of scrimmage during the second quarter here November 5. (UPI).

"Safe procedures in using hunting equipment are an absolute necessity in reducing accidents, preventing injuries and saving lives," the safety director emphasized. He offered the following safety tips to gun and bow and arrow hunters.

Gun storage: Guns should be kept in a sturdy cabinet under lock and key, where children and others not qualified to handle them, cannot get at them. Ammunition should also be locked up, preferably separate from the guns.

Gun care: Guns should be well cared for and inspected before use. A malfunction could

result in a lost or misplaced shot and possible in a serious injury to the shooter.

Before the hunt: A hunter should be prepared for the elements in the area he will cover. In cold weather, he should wear sturdy boots and clothing that will provide him with adequate warmth. A hunter should also wear highly visible clothing. Additionally, he should carry a compass, small flashlight, reliable lighter or matches in a waterproof case, strong knife, first aid kit and map of the area he will be hunting. A loud whistle can also be carried to summon aid, if needed.

CIAA'S MAN IN THE MIDDLE -- Shaw University's Head Football Coach George Clements (center) is the man in the middle of the Central Intercollegiate Athletic Association's Southern Division title race. Shaw University hosts the front running Winston Salem State University Rams on Saturday, November 13 and the Bears hold the key to the Rams' hopes. With Coach Clements is Fayetteville State University's Raymond McDougal (left) and Winston Salem State University's Cleo Wallace. Fayetteville State hosts Johnson C. Smith University on the same date and the Broncos have a chance at the crown if they defeat the Golden Bulls and the Rams lose to the Bears. FSU defeated Shaw and Winston Salem earlier.

Ky. State Marching 100 Enjoying Good Season

FRANKFORT, Ky. - The Kentucky State College Marching "900", under the direction of Raymond P. Jordan, is enjoying one of their best years. The band has already performed this year for half-time performances at Kentucky State College and Lane College, Jackson, Tennessee. Their techniques in captivating audiences have been outstanding.

The band is comprised of over one hundred students, including two drum majors and seven majorettes.

Jordan, along with his two fine drum majors, has worked diligently to make the band one of the best of the country. More than two hours of daily practice is invested to make the Marching "900" precise and polished.

The theme of the band's music this year is, "The Ocean Of Soul." The music, which is arranged by Jordan, is selected from the hit recording of artists such as, Aretha Franklin, Isaac Hayes, Stevie Wonder, James Brown, Ike & Tina Turner and many others.

In each performance the band displays new and unique styles of marching. New terms have been coined to describe these styles. First, there is the rip, a fast moving marching step done at a very fast tempo played by the drums. Each rank has its own style in which it assembles to position. Secondly, there is the dance routine which is performed by the majorettes.

In order to assemble in their last formation the band displays their high knee lift done at a moderate Spanish Cadence played by the drums. For its final routine the band performs

their patented dance. Jordan develops the dance so that everyone does "His own thing." He sometimes splits the band up into two or four sections, each functioning as a Micro Band. In order to make the dance more exciting, he brings together all Micro Bands so that they again form one unit. Simulating Chaos the larger band breaks down into several Micro Bands.

The band has a repertoire of dance steps, including the Jackson Five popcorn, the Temptation, the Breakdown and many other.

Falcon Booters Play Fri.

The Saint Augustine's Falcon booters have been selected as the top soccer team in District 26. The Falcon booters are undefeated in District Play, with a 3-0 record. The Falcons will play Guilford College in the first game starting at 1 p.m. Friday, November 12, at Belmont Abbey College.

The winner will play the winner of the Belmont Abbey Pfeiffer College, at Belmont, on Saturday, November 13, at 2 p.m.

The Falcon defense will be led by Bennett Hollmatt, a stellar unsung hero in a strong Pfeiffer College. The Falcons are expected to be at full strength for the playoffs.

Coach Mario Azevedo has set

Did You Know...

New York (UPI) -- Someone, somewhere in the United States is injured as a result of a home accident every eight seconds of the day. The Council on Family Health, sponsored by the manufacturers of medicines, says one major reason for the high incidence of home accidents is the failure of consumers to read labels. If you don't want that someone, somewhere to be you, then Council says always read labels and follow the directions that provide
