

# Doubleheader Scheduled For Dorton Arena Saturday

## Falcons Meet Barber Scotia At 7; Shaw Tangles With Elizabeth City

BY EARL MASON

The site has been changed but the excitement will be the same come Saturday night when the third of four Capital City Doubleheaders will be held at the Dorton Arena rather than at the Broughton High School Gymnasium as originally scheduled.

St. Augustine's will tangle with the highest scoring Barber Scotia Sabers in the 7 p.m. opener and the Shaw University Bears will meet the Elizabeth City Vikings in the nightcap in an important CIAA struggle.

The Sabers coached by Aldon Coefield, are one of the highest scoring teams in the area averaging better than 102 points per game. Barber Scotia carried a 7-2 record into the game against Gardner-Webb this week.

The two losses for the Sabers have been to Gardner-Webb and Guilford College. Barber Scotia dropped a 113-98 decision to Guilford and was on the short end of a 116-102 score to the explosive Gardner-Webb quintet, one of the two teams to beat St. Aug.'s.

John Steele, the highly tutored backcourt performer for the Sabers is averaging 30 points per game to lead the scoring. He is followed in the department by Garcia Howard with a 17 point per game average.

The top rebounders for the Sabers are Joe Powell with an 18 points average while Howard is pulling off 17 caroms per contest.

Other starters for Barber Scotia are Larry Garvin and Michael Ward. Two additions to the squad this week will make the Sabers that much stronger. Marvin Hart and Artis Linebarger became eligible this week at the start of the second semester and will add depth to the Saber line-up.

Coefield, who has scouted the Falcons against Gardner-Webb this season, state, "we are looking forward to a tough game with them. They have a good ball club and we consider them as one of the strongest teams in the CIAA."

Harvey Heartley's surprising Falcons are in the thick of the Southern Division conference race. St. Augustine's began the week with a 7-2 overall slate and a 5-1 league record.

The starting line-up for the

Falcons will be composed of All-CIAA Curtis Pritchett, William Fleming, Lacy Flintall, Charles Montague and Lloyd Merriman. Pritchett is the top scorer for the Falcons averaging better than 19 points per contest.

Elizabeth City has been a hot and cold team this season but the Vikings always present a problem for the opposition. One of the biggest wins for Bobby Vaughn's team was a 103-88 victory over the Bears in Elizabeth City last Saturday. So the Bears will be out to get even with Elizabeth City in this game Saturday night.

Holland Moore and Leonard Carmichael team to give the Vikings one of the strongest backcourt teams in the league. They get plenty of help from a frontline consisting of Glen Windley, Walter Carter and Charles Hatcher.

George Blair will go with a unit composed of Kelly Utley, Ray Haskins, Jackie Smith, Alvin Smith and Paul Kelly.

SHAW RESERVES- These are two of the top reserves for the Shaw University Bears and will be ready to enter the lineup Saturday night if necessary. Alan Brathway, left, and Charlie Bell, right are likely to see action in the Capital City Doubleheader slated for Dorton Arena.

FALCON REBOUND-Curtis Pritchett grabs a rebound for St. Augustine's in the Falcons' game against Hampton Institute last Saturday night in the Emery Gymnasium. Daniel Orié (32) tries to take the ball away for Hampton. The Falcons' William Fleming and Wayne Britt (50) of Hampton watch the action.

## Falcons And Bears Rank At Top Of Conference, Despite Defeats

Despite conference defeats last week, Shaw and St. Augustine's still rank at the top of the Southern Division of the CIAA basketball standings as the conference schedules get tighter and the teams start thinking about the top four positions in the league for the conference tournament scheduled the last of February.

Both teams have four games scheduled within the next week but for the Bears, three of these games will be in the conference while the Falcons have two league opponents on their card for the week.

Shaw and St. Augustine's both have three games scheduled for the home court beginning with the Saturday night Capital City Doubleheader at Dorton Arena. The Falcons meet Barber Scotia in the first game of the twinbill at 7 p.m. and the Bears tangle with the Vikings of Elizabeth City in the nightcap. Coach Harvey Heartley's surprising quintet will play host to the Vikings Friday night at Dorton Arena in a very important conference game at 8 p.m. Bobby Vaughn's cagers have been hot and cold this year but put it together for a complete game against Shaw last Saturday night.

The Aggies of A&T will be in town Monday night to battle the Bears at Dorton Arena. Even though this is a nonconference contest, anytime these two teams meet on the hardwood, the game is always a struggle.

The top scorers for the Ag-

gies on he season is Elmer Austin. He gets plenty of help in this department from William Harris and Al Carter.

The leading scorers for the Vikings of Elizabeth City are Holland Moore, Leonard Carmichael and Glen Wendley.

Next Thursday, both teams will see action with Shaw playing host to Fayetteville State at the Dorton Arena and the Falcons paying a return visit to Barber Scotia in Concord in a non league outing. The Broncos' attack is spearheaded by Michael Sneed and Earl McNeill. With William Monroe returning to the line-up the second semester, Coach Thomas Reeves is expected to give some teams a run for their money in the second half of the season.

A high scoring game is expected in Concord between Barber Scotia and the Falcons. The Falcons are scoring better than 95 points per game while the Sabers have been over the century mark in most of their game.

The Emery Building will be the site for the game next Friday night between the Falcons and the Livingstone Blue Bears starting at 8 p.m. This is a return match between these two league opponents and Livingstone will be out to get revenge for the 103-99 defeat suffered to the Falcons December 6.

The Falcons divided a pair of conference games last week losing to Norfolk State in Norfolk, 115-97 last Tuesday and turning back a determined

Hampton team in an overtime 46-40 last Saturday night in the Emery Gymnasium.

Curtis Pritchett led the scoring with 13 points in the win over Hampton but it was a lay-up by William Fleming which tied the regulation game at 38-38 and sent the contest into the extra five minutes. Walter Martin was the top scorer for the Pirates with a dozen points.

George Blair's Bear won two league battles last week before dropping a decision to Elizabeth City last Saturday. Shaw got revenge for the CIAA tournament loss suffered by the Spartans of Norfolk by defeating them 86-84. Ray Haskins triggered the win with 28 points and Jackie Smith added 21 points. Rudolph Peele was the top scorer for Norfolk with 31 markers.

Jackie Smith rammed in 33 points to lead the Bears to a 96-75 win over Hampton last Friday night in the Spaulding Gymnasium. Smith also grabbed 14 rebounds. Daniel Orié was the top scorer for Hampton with 18 points.

Elizabeth City led 49-41 at halftime but increased this lead in the second half enroute to a 103-88 win over the Bears last Saturday in Elizabeth City. Haskins tallied 26 points and Jackie Smith 25 against the Vikings.

Holland Moore led the scoring for the Vikings with 24 points while Glen Windley added 23.

TO START-Lloyd Merriman will be one of the starters for St. Augustine's Saturday night when the Falcons meet the Barber Scotia Sabers in a nonconference game at Dorton Arena. Merriman has been a starter for the Falcons throughout the season.

GOOD BLOCK-Robert Smith (22) of Shaw University makes a big defensive play as he blocks a shot attempted by Willie Youngblood of Hampton Institute. Shaw's Jackie Smith watches the action.
