## Use of Pre-Addressed IRS Label Helps Avoid Errors

**Greensboro**—Many taxpayer errors, particularly those that delay refunds, can be eliminated by using the pre-addressed label on the tax package received in the mail. Peel the label from the tax package and place it on your Form 1040. Income tax returns with labels can be quickly identified and processed since they contain necessary identifying information. J. E. Wall, District Director of Internal Revenue for North Carolina, said today.

If your name or address has changed, make the necessary corrections on the label and lightly strike through the wrong pre-printed information. If you have a refund due, this will help insure delivery of the check to the correct address. Taxpayers should also be certain that their correct social security number is entered on the label before they file their return.

The filing deadline for 1971 tax returns is April 17, 1972.

**AFTER CHURCH SERVICES**—These people are shown leaving the First African Baptist Church on a recent Sunday morning, following services. Even the children on the steps seem to have enjoyed the message, delivered by the presiding minister.

## Your Weekly Horoscope

February 19 through February 25

**ARIES (March 21-April 19)**: Sense of urgency tends to permeate first part of week, Ari. In effort to achieve what you desire, do not fall into trap of asking subtle questions of associates. What you consider civil questions just could trigger civil war. By fourth day, you calm down and remainder of week proves profitable.

**TAURUS (April 20-May 20)**: Advice is offered before third day concerning very personal matter. Shun it as you would The Plague. One who offers it suffers from a bad case of intellectual bankruptcy. Trust your own hunches. Mid-week finds you pensive. Security is involved. Keep cards face down. Before last day, charmer worms way into your heart.

**GEMINI (May 21-June 20)**: New ideas may be difficult to deliver, Gem. Should you suffer from labor pains, don't hesitate to resort to ideas you have shunned away long ago. But you must ferret. You end week sloshing through the slush with your banner flying.

**CANCER (June 21-July 22)**: Should you desire freedom in week ahead, Moonchild, you must take it by force from the jealous gods who guard it. This will require courage, to say the least. Though you are not by nature ruthless, you are resourceful, and your resourcefulness will save the day. Before end of week, all you need is given unto you.

**LEO (July 23-August 22)**: You are scheduled for an unseasonal breath of spring, Leo. Take it and enjoy it for what it is. A chill may follow? So what? You'll keep rockin' right along, baby. Key is faith. Last day finds your happy heart full of joy. (Not to mention anticipation.)

**VIRGO (August 23-September 22)**: Arteries of communication with loved one may seem clogged. Should you keep getting busy signal, perhaps it is time to step out of booth, run around the block, then go back in and re-dial.

**LIBRA (September 23-October 22)**: Relatively smooth week ahead, Lib. Relationship with loved one improves. Communications open. Bridges are crossed. Reality shoves fantasy aside. You grow. On last day, you exorcise old ghost.

**SCORPIO (October 23-November 21)**: Get in touch with old friend this week, Scorp, before fourth day, if possible. You benefit. Arrange meeting. Open your heart to love, dear one, and the hounding years cannot get to you. No need for you to consult The Sensuous Man or Woman, for you, my friend, are what it's all about.

**SAGITTARIUS (November 22-December 21)**: Sense of excitement could lead to carelessness. So, Forces may be scattered. Week not favorable for making formal announcements. Stall for time. Joint venture at this time could cause quite a stir.

**CAPRICORN (December 22-January 19)**: First part of week rather tacky, Cap, but by end of third day you stop looking at life through a glass darkly, and energy builds. Message of affection is dispatched before sixth day. Your ruffled feathers are smoothed. On last day, vague feeling of loneliness is dispelled.

**AQUARIUS (January 20-February 18)**: Tread the old straight and narrow in week ahead, Aquari. It may be a lonely journey, but it is the safest. And stop grumbling. After all, you can't expect cherries jubilee EVERY week, you know. Study message to Cap for hidden words to you, dear heart.

**PISCES (February 19-March 20)**: Much activity ahead, Pisces. You hear from one at distance. Message has several levels of meaning. Study it well. Career/family matters take a giant step forward. Guard health, get enough rest. Then week winds down beautifully.

**Tax Deductions Are Allowed For Some Personal Losses, IRS Says**

**Greensboro**—Damage to a car, home, or other non-business property may qualify as a deduction on Federal income tax returns, J. E. Wall, District Director of Internal Revenue for North Carolina said.

Tax deductions may usually be taken when the damage to non-business property occurs from a natural disaster such as a fire, flood, storm or hurricane. Losses from theft may also be deducted. However, losses resulting from such causes as rust, erosion, termites, etc. are not deductible.

Wall said the distinction between a deductible and a non-deductible casualty rests on whether the event causing the disaster was sudden or unexpected. Damage to a home from a fire or flood is deductible because the event was sudden or unexpected whereas damage from termites or settling due to erosion is not deductible since it occurs over a long period of time.

Mr. Wall said that on real property held for personal use, the amount of the loss is either the adjusted basis of the property or the decrease in its fair market value—whichever is lower. On personal property, the cost or the decrease

6 to 12, and he signs the station off at 12 midnight.

Christopher Whitfield (known as Sugar Chum) who starts the morning off from 6 to 10. He was formerly with WVBM-FM with 2 years of experience.

Mrs. Jackie Richardson, parttime secretary, handles the request lines on the weekends. Jackie stays busy handling two phones with the requests of approximately forty to fifty calls an hour.

This station employs two outside salesmen for advertisement.

When this FM station came to Goldsboro, the merchants and businesses really boomed, especially when it came to selling FM radios because so many people were operating off AM radios.

WFMC-FM-102.3 MC with 3,000 Watts vertical and 3,000 Watts horizontal, on your FM band, authorized by the Federal Communications Commission of Washington, D. C. with transmitter offices and studios located on Highway 117, south, just inside the Goldsboro city limits.

It reaches over a quarter of a million people and 17 counties in Eastern North Carolina, with the latest in news and public service features.
