To The Editor:

There are a few teachers who really stand out in my mind who really encouraged me and helped me and were real role models. Have you anv?

Teachers are such an important part of each child's life, and their influence can last a lifetime.

All schools should begin in the early grades to teach their children to feel good about themselves-to have self-esteem, to set goals and dreams, to make each student feel special, and to try and somehow let them know that those dreams can come true.

What is a good school? A good school is a school with good teachers.

Teachers expect respect

rather than get into drugs and alcohol. Education is going to get you everything you desire, or at least teach you how to get it. John Lucas, pro basketball player said, "Kids need to be honest with themselves and realize they can face life without medicating themselves in order to

Doug Williams, pro football player said, "At any point during my life, I could have taken a wrong turn. I'm convinced that a strong family, positive role models. and support programs kept me on the right tract. A team of very special people helped me learn that horizons are where you

place them" A role model doesn't have to be an athlete. It can be a brother, a father, a neighbor, a businessman, a teacher. The main thing is to be a leader.

Parents are their children's best role models. Beatrice C. Maye Greenville
