THIS WEEK'S HOROSCOPE

BY SALOME

Weekly Tip: Moon in Aries begins an energetic cycle.

Aries (Mar. 21 to Apr. 19) Cultivate self-assurance and initiative. Simple business proposals can be profitable. Be diplomatic, and use your energy wisely and conservatively.

Taurus (Apr. 20 to May 20) This week has a mellow tone with vigor and competence. It will be easy to fall into a romantic and caring mood with your partner.

Gemini (May 21 to June 21) The best advice for this cycle is "go for it!" Don't hold back when opportunity knocks. Avoid going on the attack if others respond slowly.

Cancer (June 22 to Jul. 21) Your strong nesting instincts could be tested. It is possible to imagine wrongs that do not exist when your nerves are on edge and you are tired.

Leo (Jul. 22 to Aug. 21) This is a positive cycle, and you have full rein over what happens. Shoot for the moon, but avoid crawling over others to get to the top.

Virgo (Aug. 22 to Sept. 22) Personal relationships swing in your favor. Your mood can be quite enchanting. It will not take much to light the candle of love and romance.

Libra (Sept. 23 to Oct. 22) It may take effort to balance the demands of your personal life and work routines. It will help to reshuffle your schedule for added rest and peace.

Scorpio (Oct. 23 to Nov. 21) Disguising your feelings can leave you alone just when you need companionship and understanding. Read on through the next sign.

Sagittarius (Nov. 22 to Dec. 21) You are captivated and in the mood for love. Set the stage by preparing a sensual feast, and go the full route with hearts and flowers.

Capricorn (Dec. 22 to Jan. 20) Kindness expressed to someone close to you is appreciated. You are attracted to elegance, charm, allurements and pleasure. Be imaginative.

Aquarius (Jan. 21 to Feb. 19) Recognition comes from superiors. Continue with current career objectives. Give yourself a lift by emphasizing style — be more trendy!

Pisces (Feb. 20 to Mar. 20) A new love can heal a broken heart. Let new people into your life. You are attractive, but need to have more faith in your charms and personal style.

If You Were Born This Week

You can be adventurous, romantic, charming and warm-hearted. Your sunny disposition and popularity will accent a talent for appearing before the public. Do not, however, let your pride interfere with your emotional well being. © 1989, McNaught Synd.
