Club Plans Interesting Dinner November 12 in Community Building

The annual ladies night of the Manteo Rotary Club will be held Monday night, November 12, in the community building in Manteo. E. E. Meekins will have charge of the program, and is planning to have a former well-known resident of Manteo to make an instructive talk at the meeting. The dinner will begin at 6:30 p.m.

The Rotary Club is now en-gaged in an effort to get a dentist to locate in Manteo. The County Health Department now has in its care complete equipment for a dental office, loaned to the county from a surplus hospital during the

war, and which has been used from time to time by visiting dentists. Mrs. Hilda Ballace, who serves

meals for the Rotarians, is planning a special menu for Monday night. Last week she served an exceptionally fine seafood dinner. This week barbecue was served.
