

# WELCOME HOME TO MANTEO

## FOR Christmas

*The Old Home is Best At All Seasons  
Friendliness, Service, Goodwill For All*

To the numerous boys and girls who are coming home from school, to others yet to come; to the many veterans who can be with us, and to those who are away in the service of our country; to numerous visitors, and old residents at this season, we offer the best that is in our hearts and hopes.

It is our wish that now and in the future as well as in the past, you will always find your best and truest friends in the old home community of Manteo and its vicinity. Those of us who have struggled through the years to serve you as best we could, have always found this the best place to live, and our labors have been directed toward making it a better place

for those who will follow us.

As it is with the general spirit that prevails in this Manteo community, so it is with the business spirit that may be found throughout the year, in the stores, and among those in all lines of business who serve the people hereabout. You will find us now, as in the past, and in the future, always offering more than may be found away from home. MORE in every sense of the word, friendliness and good will, quality and value and an unusual courtesy that will be found only among loved ones and friends.

We wish you a Merry Christmas and a Happy and Prosperous New Year.
