What you want most  
**CHEVROLET**  
gives you first!

This year, again, Chevrolet is out ahead of the other low-priced cars in the things that mean more pleasure and satisfaction for you. And yet Chevrolet costs the least—no other line of cars is priced so low. So why go hundreds of dollars higher when you can have all these things you want in Chevrolet? Come in and let us show you the kind of facts and figures you like to see!

\*That explains why more people buy Chevrolets—and want Chevrolets—than any other car.

MANTEO, N. C.

**Out ahead with that bigger, lower look**  
Chevrolet is the only low-priced car that has Body by Fisher with that big, smooth, low-slung look.

**Out ahead with the highest-compression overhead valve engines**  
Chevrolet's more powerful valve-in-head engines have the highest compression ratio of any leading low-priced car!

**Out ahead with that smooth and solid big-car ride**  
Chevrolet's the only low-priced car with Unitized Knee-Action—one reason for its finer road-smoothing, road-hugging ride.

**Out ahead with bigger brakes for greater safety**  
Chevrolet brakes are the largest in the low-price field for smoother, safer stops with less pedal pressure.

**Out ahead with zippy, thrifty Powerglide**  
It's the first automatic transmission in the low-price field and the most improved and advanced! Optional on all models at extra cost.

**Out ahead with automatic power controls**  
Chevrolet is the first low-priced car to bring you all the latest automatic power features and controls as extra-cost options.
